Woman Admits She Changed Her Mind On Taxes

PHILADELPHIA, Feb. 10.—(INS)—Miss Vivien Kellems, Westport (Conn.) war contractor, admitted today she had taken advantage of a woman's prerogative of changing her mind—and paid an installment on her 1943 income tax.

Miss Kellems stirred up a minor furore in Washington three weeks ago by declaring she was constituting herself a one-woman strike against income taxes.

She admitted today in Philadelphia, however, that she made a part payment only last Tuesday. She didn't pay it December 15, the date it was due, she said, because "she couldn't afford it then."

"When a taxpayer cannot pay the tax," Miss Kellems asserted, "the collector allows him to wait until he can pay, and six per cent interest is charged for this non-payment."

"Rather than bankrupt my business by borrowing on my accounts, mortgaging my home and selling my war bonds, I decided to take advantage of the law."

HOTEL BELL BOY CHANGES STORY

(Continued From Page One)

dresser's, Frank Starr Williams, second husband of the slain woman and an attaché in the State Department at Washington, said he believed the slayer was a gem thief.

Coroner A. L. Brodie has recommended that Mrs. Goodbody participate in a reconstruction of the crime in the apartment, which she has been unable to do so far because of her highly nervous state. The gunwoman fired at her, she said, before firing the bullet that killed her mother.

Mrs. Goodbody was said to be planning to make a trip to California with her sister, Miss Elizabeth Born. The coroner said he had no objections to the trip but observed that when she was able to make the journey she probably would be well enough to aid the police in the reconstruction.

KILLED IN FALL

NEW YORK, Feb. 10.—(INS)—Harry Owen Smith, 55, a director of the McDonnell Aircraft Corporation of St. Louis, Mo., was killed early today when he jumped or fell, police reported, from his 14-floor room in the Waldorf-Astoria hotel.

Smith's body landed on a fifth floor extension.

UNITED STATES SHOULD HAVE OWNED MARSHALLS

(Continued From Page One)

Glass' orders about these other islands, he did not mention them in demanding Guam's surrender and the wily governor said nothing.

At the peace conference at Paris, where the aftermath of the war with Spain was washed up, nothing was said about the islands either.

Kept Other Islands

So the Dons surrendered Guam, but kept possession of the remaining 2,499 islands, which they sold within a year to the Kaiser's Germany for a matter of nearly \$5,000,000. They were not of much use to the Kaiser and the Germans did very little with them.

So, when World War One broke out the Japanese came in almost at once on the side of the allies. One of the first things they did was to take over these German island possessions. At the peace conference at Versailles they were awarded to their Japanese possessors as a League of Nations mandate.

"The Nipponese were pledged not to fortify their mandated possessions, but paid no attention to their pledges. Later, the Japanese withdrew from the League of Nations, but made no move to return the islands."

The whole world knows the rest of the story. On the vast groups of ex-Spanish, ex-German islands stretching nearly 1,500 miles north and south by about 3,000 miles from east to west, the Mikado's empire has built a network of bases unexampled in war.

All of this could have been avoided had the necessary dozen words been added to the orders of Captain Glass in 1898 to make the islands American possessions at that time. On such trifles does history turn.

Statements and opinions herein are private to the writer and are not to be construed as reflecting the views of the navy department.

NINE AIRMEN KILLED

VINCENNES, Ind., Feb. 10.—(INS)—Nine airmen today were reported killed in a crash of two army airplanes over George Field near Vincennes.

Sheriff Clyde Stalcup said the planes that collided last night were a twin-engine training plane from George Field and a ship from another field carrying a crew of seven. George Field officials refused to reveal details immediately.

The bodies were taken to a Vincennes morgue pending notification of relatives.

RUSSIAN FORCES STEADILY ADVANCE ON KRIVOI ROG

(Continued From Page One)

road, controls escape of huge German hordes, facing a mounting threat of entrapment in a pocket above the junction.

Whittle Nazis Down

In one massive pocket already formed around Shpolia in the mid-Dnieper area, remnants of ten badly battered enemy divisions were steadily whittled down by Russian armor and artillery. The Soviet troops slew additional hundreds of the Nazis, 1,000 of whom fell in one sector alone as the red army "lightened its ring of encirclement."

A Moscow military spokesman, Colonel Akimov, was quoted by the London Daily Telegraph as estimating that 300,000 Germans have been destroyed or "defeated with heavy losses" in the Ukraine during the last ten days. He placed the strength of the Nazi army in the area at 500,000.

The German-controlled Vichy radio previously had announced that a Nazi withdrawal from the Dnieper salient had begun.

Violent Fighting

Most violent fighting appeared still concentrated around the Zvenigorodka-Shpolia trap, where the enemy high command continued its attempts to force a break-through to relieve the weakening troops which are encircled. In one such thrust, which was repelled, the Germans lost 48 armored units and 90 motor trucks.

Despite frequent counter-action by the enemy, the official Russian communiqué said, "liquidation of the encircled Germans" continued. It added that "hundreds of enemy corpses were left on the battlefield."

Frontline dispatches, describing the liquidation of the German Dnieper river bridgehead at Nikolai, said it was "one of the bloodiest massacres" in military history. When the Russian artillery barrage lifted, the battlefield was strewn with "tens of thousands" of Nazi dead and wounded, caught in the concerted fire of Soviet guns, tanks and planes.

Last night's midnight communiqué also reported the killing of about a battalion of Germans numbering approximately 1,000 men, by Russian troops that beat off counter-attacks and advanced west of Nogorod above Lake Ilmen.

In the fight for Ordezh and other points in the Luga area, the Soviets annihilated 1,200 other Nazis and captured large quantities of war materials. Eight hundred more of the enemy were slain by the Nikolai conquerors as they raced westward after remnants of seven routed German divisions.

BRUNSWICK IS AGAIN BLASTED BY U. S. BOMBERS

(Continued From Page One)

Berlin and now ranks as one of the most bomb-pocked cities of the Reich. In addition to housing the Messerschmitt factories, it is known as a center of small machinery manufacture and of parts for many of the Wehrmacht's weapons.

DNE, the controlled German propaganda agency, claimed that large-scale aerial battles were fought in the skies over northwestern Germany and asserted without confirmation that the bombers hit heavily before they reached their targets.

And while Brunswick echoed to the crash of bursting bombs, the French channel coast "shuddered under its third straight daylight bombing."

Our great force of twin-motored Marauder bombers was sighted heading toward the Pas De Calais area.

Though no figures were available preliminary estimates indicated that today's force was the most overwhelming yet dispatched from British bases to pound occupied Europe.

There was no cessation in the day-night blows, the British air ministry announcing that Mosquitoes had bombed western Germany again during the night. One of the Mosquitoes was missing.

WAREHOUSE FIRE RESULTS IN LOSS

(Continued From Page One)

frames used in constructing billboards, making it difficult for firemen to get at a seat of the blaze.

Firemen fought the fire until around 3 o'clock this morning, and Sixth Ward firemen were recalled to the scene later this morning, when embers which had not been put out, burst into flame again.

Sections of the roof and angle irons stored in the building fell on top of the stacked lumber, which firemen were unable to remove, making it almost impossible to get at the blaze in one section of the building.

A considerable stock of materials was in storage, due to the difficulty of getting supplies of this nature because of the war, and the loss is more serious because of the difficulty in securing replacement.

CONQUEST OF MARSHALLS IS BEING PUSHED

(Continued From Page One)

was attached to a carrier task force and was sent to rescue navy fliers forced down at sea. Returning to the task force, she surprised the convoy and sent the four ships to the bottom with shells from her 5.38 caliber guns.

Meantime, the Fourth Division marines and troops of the army's Seventh who completed occupation of Kwajalein Atoll continued their grim task of hunting for hidden Jap snipers and preparing for assaults against enemy garrisons trapped on other atolls.

10,000 Japs Trapped

It was estimated that there were 10,000 Japs trapped on Wotho, Malolap, Mille and Jaluit atolls along the eastern flank of the Marshalls.

These were cut off from further aid when the American invasion forces severed their lines of communication and supply from behind by seizing Kwajalein, the chief administrative and defense base in the island chain.

Open to constant attack from the sea and air, the doomed garrisons face a choice of capture or death. Admiral Nimitz, pointing out that the capture of Kwajalein meant that the tempo of war in the Pacific would be speeded up, warned the Japs that "we are going right ahead."

Will Be Springboard

His words left little doubt that captured enemy bases on Kwajalein will be used soon as a springboard for the final assault to bring all the Marshalls into American hands.

Japs on the remaining held atolls, Admiral Nimitz added, cannot be supplied by surface and any possible air transport supply would be only a drop in the bucket in maintaining garrisons of their size.

The Jap base at Jaluit, one of the first fortified in the Marshalls, was mentioned as having been under attack by army and navy planes Feb. 6 and 7, but according to a spokesman the navy has adopted a new policy heretofore of not naming enemy bases which are raided.

It was believed likely, however, that Wotho, Malolap and Mille as well as Jaluit have been the targets for aerial and possibly naval bombardment.

NAZI THREAT TO BEACHHEAD IS NOT MINIMIZED

(Continued From Page One)

drawn partly from reserves that were behind the main southern front, to a lesser extent from the Rome area, and partly from northern Italy.

He pointed out that the limited harbor facilities at Anzio, plus bad weather, have hampered the flow of allied reinforcements and supplies. Patterson said that long-range enemy artillery from the hills is now reaching Anzio harbor.

With the improvement of the weather on the Italian front, allied air forces have gone into extensive action against Nazi communications north and south of Rome and enemy troop concentrations. Patterson said allied warships also were aiding the allied troops at the Anzio beachhead.

Batter Enemy Positions. Meanwhile, Patterson said the fifth army forces on the southern front have been battering enemy positions around Cassino but that Nazi resistance has been extremely stubborn and bitter.

Patterson placed American casualties since the invasion of the Italian mainland at 3,707 killed, 16,510 wounded and 5,448 missing—a total of 25,665.

In the central Pacific, Patterson said the American occupation of Kwajalein atoll now was complete and he described the offensive as a "swift and inexpensive victory."

The acting secretary estimated that perhaps 60 per cent of the more than 8,000 Japanese who were killed on Kwajalein died during the air and naval bombardment that preceded the landings.

He said that American forces now were rushing to completion enlarged and improved airfields on Kwajalein and that other Japanese islands in the Marshalls now are isolated by American sea and air forces.

TWO MORE HEAVY RAIDS ON RABAU

(Continued From Page One)

Allied fliers returning from Madang, the major Japanese base above Saidor, met no opposition in raids there Wednesday, and suggested that the enemy might have evacuated it.

The Aussies have occupied Gali former Jap staging base, and driven beyond Weber Point in their push up the Rai coast toward Saidor. In fighting on Tuesday they killed 49 Japs and captured four more.

Allied planes ranged over New Britain, New Guinea and the Solomon Islands in attacks on enemy installations and supply bases.

CHARGE BABY IS HELD OVER STOVE

(INS)—A 13-month-old boy whose father is accused of police of having held him over a hot stove during a family quarrel was reported winning his fight for life today in a Fort Wayne hospital.

The little victim, William Harry Johnston, suffered a series of second degree burns.

The father, James C. Johnston, 31, was held in county jail pending outcome of the baby's injuries.

Card Of Thanks

We wish to thank our friends, neighbors and relatives for their kindness and sympathy extended us during the illness and death of our wife and mother, Mrs. Anna Laura Currie. Also, for floral tributes and cards donated.

W. E. CURRIE & FAMILY.

Card Of Thanks

To our many friends who expressed their love and kindness in our recent bereavement, we wish to thank them most sincerely.

MR. & MRS. WESLEY E. LETTNER.

Deaths of the Day

Infant Baldwin

Infant son of Samuel Ross and Luella Rigby Baldwin died at birth in the New Castle hospital Wednesday afternoon at 5:30 o'clock.

In addition to the parents, Mr. and Mrs. Samuel Baldwin, a sister and brother survivor, Carol Elaine and Allen Lee, and also grandparents, Hugh Rigby and Mrs. Eva Anderson.

Funeral services are being conducted this afternoon at 3:30 o'clock from the Howard L. Reynolds funeral home, 509 Adams street, Rev. James N. Rainey in charge. Interment will be in Oak Park cemetery.

Roy C. Miller Funeral Time

Funeral services for Roy C. Miller, aged 65 years, of 215 Fairfield avenue, who died in the Jameson Memorial hospital Wednesday at 12:50 p. m., will be conducted from the Mahoning funeral home Saturday at 2:30 o'clock. Dr. Burr McKnight, of the First Methodist church, will be in charge, assisted by Dr. Norris White, former pastor.

Friends may call at the funeral home tonight, seven to nine o'clock and Friday, two to four and seven to nine o'clock. Interment will be in Valley View cemetery.

Mr. Miller was born March 17, 1878, in Shenango township, son of Samuel and Nancy Miller. He was a member of the First Methodist church and the Moody Bible class. For the past 40 years he was in the insurance business.

Surviving are his wife, Mrs. Hazel Shieley Miller, two sisters, Mrs. Harry Hattenbaugh, this city, and Mrs. Frank Pitzer, Vanport, O., and a number of nieces and nephews.

Mrs. Clifford E. Rowland and Mrs. Elsie M. Rowland, aged 39 years, of English avenue, R. D. 2, died while visiting at the home of her daughter, Mrs. Elmer Vogel, Pittsburgh, Monday evening at 7:30 o'clock. Her death was sudden.

Mrs. Rowland was the daughter of John and Ellen Nora Montgomery. She had lived in New Castle for a year, coming here from Pittsburgh. She was married to Clifford E. Rowland, who survives.

In addition to her husband, she leaves two sons, Guy Nadin, U. S. army, now overseas, and Norman Nadin of the U. S. army, Texas; a daughter, Mrs. Elmer Vogel, Pittsburgh, and a brother, John Hawkins of Erie.

The body will arrive at the A. Darrell Burke funeral home, North Jefferson street.

Funeral services will be held Saturday at 2:30 p. m., and interment will be in Greenwood cemetery. Friends may call at the funeral home Friday from 2 to 4 and 7 to 9 o'clock.

Holmes Funeral. Funeral services for Edward Holmes, of Volant, R. D. 1, were largely attended and were conducted from the Cunningham funeral home, Leesburg, Tuesday at one p. m., Rev. William A. Lloyd in charge. Rev. William Rice assisted.

Two selections were sung by the quartet: Mrs. W. L. Dight, Mrs. Sam Patterson, C. K. Pollock and Charles Eppinger. Mrs. Lois Dice accompanied at the organ.

Palibearers were: Mont Huston, Harry Grandy, Sam Sonntag, Hiram Hedding, Tom Gill and Charles Eppinger.

American Legion post of East Palestine, O., conducted military service at the grave, and interment was made in East Palestine, O.

Williamson Funeral. Funeral services for William Williamson, Grove City, R. D., were conducted from the Cunningham funeral home, Leesburg, Wednesday at two p. m., Rev. Allan Killen in charge, assisted by Rev. William A. Lloyd.

Mrs. Elizabeth Miller sang two selections, with Mrs. Irwin Spencer as accompanist.

Palibearers were: Alex Arrow, William Grundy, James Donald and Arden Rice, and Edward Truman.

Burial services, which awaited arrival of a son, William, of the Army Air Corps in California, are being conducted this afternoon at one o'clock, in the Carpenter cemetery.

NUNAN IS NAMED

WASHINGTON, Feb. 10.—(INS)—President Roosevelt today nominated Joseph D. Nunan, Jr., of Douglas, N. Y., to succeed Robert E. Hannegan, of St. Louis, as commissioner of internal revenue.

Hannegan resigned the post when he was chosen chairman of the Democratic national committee, succeeding Postmaster General Frank Walker.

GERMAN ATTACKS ON BEACHHEAD BEING REPELLED

(Continued From Page One)

planes for every German plane. However, good atmospheric conditions are indispensable for the allied planes to achieve the same success they gained at Salerno. As a result of bad weather, the enemy had been able to maneuver freely for several days.

Blast Communications. Meanwhile, allied medium bombers blasted enemy road communication lines at the rear of the beachhead and scored hits on three merchantmen off Corsica. Porto San Stefano was blasted and enemy gun positions and motor transport in the embattled Cisterna area were hit heavily.

Other sweeps during the 400-sortie day saw the allied planes score hits on a German cargo vessel in the Sicily harbor.

One enemy plane was shot down. Three allied planes failed to return to their bases.

In the Cassino area, both sides were using tanks and battling desperately. To the northwest, the Americans were fighting their way up steep slopes toward the town itself against the most bitter opposition.

The strongest German counter-attack was beaten off at Monte Alvaneta, a mile and one half west of Cassino.

Along the lower Garigliano river, the British elements of the fifth army progressed slightly in the Monte Orsino area. Near Castellforte, the Britons repulsed two small enemy counter-thrusts.

Navy Jubilant Over Record By Destroyer Burns

(INS)—

The navy was jubilant today over achievement of the destroyer U.S.S. Burns which single handedly sunk an entire Japanese convoy of four ships in the Marshall Islands' area during the invasion.

In a brief communique, the navy revealed the lone destroyer, attached to a carrier task force, further

whittled down Japanese sea power when her guns sent to the bottom a tanker, a medium cargo vessel and two smaller craft Jan. 31.

WOMAN FALLS OVER
FIRE HOSE; INJURED

Mrs. Grace Dinges, 212 West Grant street, fell over a fire hose laid to a fire on West Washington street last night, police report. Patrolman Ralph Criswell took charge of the woman and had her removed to her home in a police ambulance.

A doctor discovered she had a laceration over her right eye and a bruised right knee.

The Northwestern Mutual Life Insurance Company

LADIES OF ST. MARY'S HONOR MRS. H. STENGER

Ladies of St. Mary's church gathered Tuesday evening in their social rooms, with newly elected officers presiding. The occasion held a double meaning, inasmuch as it also provided a medium of honoring their retiring president, Mrs. Harry Stenger.

In appreciation for the superb job Mrs. Stenger has accomplished during her term of office, the assembly remembered her with two handsome gifts. Presentations were made by Mrs. Thomas Maher and Mrs. Jean Buckley.

Special guests included Rev. Fr. P. McCarter, Rev. Fr. P. P. King, and Rev. Fr. Leo Watterson, all of whom made appropriate remarks, pertaining to the past year's program under the direction of Mrs. Stenger.

Refreshments were served at the close by Mrs. Gilbert Dissen, chairman, and her committee.

NORTH BEAVER CLUB HEARS FRED KNOX

North Beaver Garden club members were guests in the home of Mr. and Mrs. Harry Reed, Mt. Jackson, Wednesday evening, when they heard as speaker Fred Knox, Mrs. S. G. McCullough presided on this date.

Mr. Knox, who served overseas in World War No. II and was recently given an honorable discharge, gave a most interesting talk on his experiences in the southwest Pacific. He touched on the life of a soldier, the varied climates encountered and treatment of the people. Also, he related many other phases of army life that held the close attention of the entire group.

Mrs. A. H. Fullerton presented June Vincent afterwards, who pleased with three piano numbers. Refreshments were served by the hostess, with Miss Frances Fullerton and Mrs. Howard Gilmore aiding.

Mr. and Mrs. N. Dale Andrews, of Mt. Jackson, will entertain March 8 at their home.

FEDERATION BOARD TO MEET FEBRUARY 15

Executive board of the Lawrence County Federation of Women's club will meet Tuesday afternoon at 1:45 at the Y. W. C. A. It was announced today by Mrs. I. Miller Henley, president.

Presidents of all local member clubs have been asked to submit written reports at this meeting.

Famous Diamonds**
THE
PIGOTT DIAMOND
The Stone That Returned to
Dust!

This noteworthy diamond ultimately found its way into the castle of the Al. Pasha, Khadive of Egypt, in 1818. All regarded the diamond and his wife, Vasilica, as his two greatest treasures. When he was assassinated in 1882, the aged ruler, in his last moments, ordered his men to strangle Vasilica, and crush the stone to powder, so that his assassin should not benefit by the possession of either. The lady escaped, but the diamond did not... so the Piggott is a thing of the past.

B.P.W. Hears Of Conditions In Jap Concentration Camp

Dinner meeting of the Business and Professional Women's club held in The Castleton ballroom Wednesday evening was attended by a large turnout of members and guests. Speaker of the evening was Dr. Grace K. Martin, medical missionary to China on the staff of the Margaret Williamson hospital in Shanghai, who returned to this country in December on the Gripsholm.

Dr. Martin in her talk gave a graphic picture of the seven months she spent in a Japanese concentration camp in Shanghai before leaving there last September for the homeward voyage. She described the uncertainty of conditions in China from the time she returned in 1939 until interned by the Japanese as a first party national.

Life in the camp, where over a thousand American and British men, women and children were housed in close quarters, she described as both busy and noisy. Until allowed to purchase supplementary food supplies, the daily diet consisted of bread and tea for breakfast and supper, two cups of rice, a vegetable and a serving of fish for lunch.

As illustrations of how inflation has spiraled in China, she said that rice which formerly sold at a firm price of about \$15 a bushel, has soared to about \$1500 a pound now. Coffee reached \$90 a pound before

going off the market. The exchange rate was 70 Chinese dollars to one American dollar when she left Shanghai.

Dr. Martin was introduced by Dr. Mildred Rogers, Miss Rose Barber, International Relations chairman, introduced Dr. Rogers and announced that the next meeting of the International Relations panel discussion group sponsored by the B. P. W. will be Wednesday, February 16, at the Y. W. C. A.

Miss Florence Davis presided over the business of the evening which included a formal candlelight initiation ceremony. Seven new members were introduced to the club by Mrs. Catherine Hubbard. They were Miss Elizabeth Albert, Miss Hazel Gussner, Miss Jean Hofmeister, Miss Bonella Saul, Miss Carolyn Slade, Miss Ruth Horton and Miss Margaret Brown.

Miss Marie C. Hay, who will leave to take up studies at the University of Pittsburgh on February 14, was presented with a farewell gift from the club.

Reading of "America Is A Beautiful Word" by Miss Mary Scherger opened the dinner program. Pep singing was led by Miss Ruth Dresser with Mrs. Martha E. McNally at the piano.

March 1 the club will have an evening party at the Y. W. C. A. Next regular meeting will be March 8.

PANTHERETTE CLUB PRE-LENTEN PARTY

Pantherette club members made plans for a pre-lenten party event, for Tuesday, February 22, to be held in the club rooms, South Mill street, in the form of a tureen dinner.

These plans were made at the Tuesday evening meeting, Mrs. Ruben Pratt in charge, and afterwards cards were in play. Mrs. A. J. Caprice captured the card prize, and Mrs. Joseph Panella captured the club token.

A delicious lunch was served in the Valentine motif, by Mrs. Colman Clause, Mrs. Louis Caspare, Mrs. John Fuleno and Mrs. Pat Benincase.

The birthday and anniversary of Mrs. Anthony Fuleno were honored, and she received a secret pal gift.

March 7, is their next meeting, hostesses to be: Mrs. William Cubellis, Mrs. Frank Macchia, Mrs. Charles Tedesco and Mrs. Nick Ambrose.

G. K. W. Club
Mrs. Grant Shaffer, Second street, was hostess Wednesday to the G. K. W. club membership in her home. Cards were in play and following lunch was served.

Wednesday, February 23, Mrs. Clyde Berry, of Greenwood avenue, will receive the group.

WIMODAUSIS CLUB INSTALLATION-TEA

Wednesday's meeting in the form of a tea, closed the fiscal year for Wimodausis club members, when they gathered in the Scottish Rite Cathedral, and commemorating this occasion new officers were installed.

Assuming their respective duties were the following: President, Mrs. Walter Gilmore; first vice-president, Mrs. Ralph Ramsey; second vice-president, Mrs. Maurice Boyd; recording secretary, Mrs. H. N. Driol; financial secretary, Mrs. Homer Gardner; treasurer, Mrs. George Lyons; directors, Mrs. M. M. Ingham, Mrs. John Haven and Mrs. W. A. Hood.

In appreciation for their excellent work, retiring officers Mrs. M. M. Ingham, president, Mrs. John Haven, secretary, and Mrs. W. A. Hood, treasurer, were cleverly introduced with personalized verses given by Mrs. Roy Long. Each in turn, was given a gift uniquely concealed in individual corsages, the work of Mrs. W. H. French.

In closing, the assemblage was invited into the dining room where they were served tea and tasty refreshments at attractively appointed tables. Patriotic tones prevailed, and a huge globe of the world moulded from cotton and tinted in blue designating the various countries formed the centerpiece. At the top were miniature figures of a man and woman sitting, illustrating the song sung by Mrs. W. P. Felch, soloist, entitled "When The Lights Go On Again At 'Over The World'".

Ston also contributed several other selections with Mrs. Kathryn Nesbitt Allen, accompanist, Mrs. Ingham and Mrs. Gilmore poured, and aiding were board members.

Mrs. W. H. French was responsible for the novel decorations, while Mrs. J. J. Madigan and Mrs. Sam Nesbitt were in charge of the tea arrangement. Tables of 500 were in play, awards going to Mrs. Frank Kelley and Mrs. Otto Krumm. The latter with Mrs. Lee Cooper were also honored by the club, with birthday gifts.

A tasty repast was later served, Mrs. Harold Boughter aiding the hostess.

In two weeks, Mrs. Margaret Reese, of North street, will entertain.

Friendly Friends

Delightful hospitality was extended Friendly Friends club members Wednesday evening in the home of Mrs. William McDevitt, North Bay street. Tables of 500 were in play, awards going to Mrs. Frank Kelley and Mrs. Otto Krumm. The latter with Mrs. Lee Cooper were also honored by the club, with birthday gifts.

A Valentine tea was planned for Friday evening, February 11, in the church dining room. Also, plans were formulated for a St. Patrick dinner as a highlight on the March calendar.

Light refreshments were served during the evening.

Greet-Zaremba

Announcement is made today of the marriage of Miss Shirley Greer of Youngstown and Dr. Stanley P. Zaremba of Atlantic avenue on January 17 in the parish house of Madonna church with Rev. Edward P. Piskulic officiating.

Mrs. Mary Lee Glenn attended the bride and Paul Zaremba was best man.

After a reception at The Castleton, the couple left on a honeymoon trip along the Gulf of Mexico. They have returned and have taken residence at 206½ Walnut street.

Wesley W. C. B. Class

Regular meeting for the Wesley Methodist W. C. B. class membership, was conducted Wednesday evening in the home of Mrs. Joe Perkins, South Lee avenue. Mrs. R. G. Leslie was in charge and Mrs. J. Mottinger conducted the devotional period.

E. S. 500 Club Dinner

Annual dinner party for the E. S. 500 club membership was a delightful event of Wednesday afternoon at a local dining room. The occasion was in progress at 1:30 o'clock with the serving of a tasty menu.

Cards were in play as the pastime, with Mrs. Edward Burdette and Mrs. Harry Meehling winning the trophies.

Next regular meeting, in two weeks, will be with Mrs. G. B. Hoagland, Temple avenue.

Mabel Wilson Lodge Dinner

Mabel Wilson lodge, No. 567, gathered in the Eagles hall Wednesday evening for a Valentine tureen dinner event. Covers were arranged for 25 guests at the beautifully arranged tables, where a delicious full-course menu was served.

Mrs. Rose Downer, chairman, was aided by a committee of three, Mrs. Jessie Reed, Mrs. Grace Sapper and Mrs. Rose Alexander.

A social period brought the evening to a close.

United Club

Mrs. John Donofrio, of Lutton street, received the United club in her new home, Wednesday evening. Card playing was the pastime, prizes going to Mrs. Ernest Gillett, Mrs. Harry Fire and Mrs. Steve Vendemia. Mrs. Domenick Sciola captured the club token.

Special guest was Mrs. Victor Apostolico, and she aided the hostess in serving lunch. The hostess' daughter, Margaret, also assisted.

February 23, is the next meeting in the form of a theater party.

Join the "CLEAN PLATE" Club

Take a tip from this smart little Scottie. Join the "Clean Plate" Club, those patriotic people who recognize the importance of food in this war, and have resolved not to waste a bit of it.

Just a little food saved each day in 30 million homes adds up to a huge amount. One spoonful of fat each day, multiplied by 30 million, will provide for many tons of explosives.

EAST SIDE GARDEN CLUB PROGRAM GIVEN

February program for East Side Garden club members took place in the home of Mrs. Leonard Cramer, 728 County Lane street, who entertained in a gracious manner on Wednesday afternoon. A buffet luncheon at 1 o'clock launched festivities, with Mrs. C. R. Bremner and Mrs. Humphrey Richards pouring.

Miss Roseana McGurk contributed the first paper entitled "How To Save The Redwoods". A second article was given by Mrs. E. L. Davenport on "Portulaca". Both subjects were exceedingly well presented. A brief discussion ensued.

Wednesday, March 8, Miss Anna Dietterle, East Washington street, will entertain in her home.

DEPARTING U. S. NAVY MAN GIVEN FAREWELL

Young Married Peoples class of Epworth Methodist church gathered in their social rooms Wednesday evening to tender one of their number, Matthew Jonkonen, farewell. He left this morning to enter the United States naval training center.

Informal pastimes claimed attention, and at an appropriate time Rev. W. A. Thornton presented the guest of honor with a farewell gift as a memento from the membership. At this time a letter was read from Don Potter, another U. S. service man stationed in California.

Refreshments were served by those in charge, Mrs. William Johns and Mr. and Mrs. Clyde Burkholder and aides.

Next regular meeting will take place March 8 at the church.

PROTECT SCARCE RATIONED INGREDIENTS WITH ROYAL CREAM OF TARTAR BAKING POWDER

Try this luscious old-time **CHOCOLATE LAYER CAKE**

It'll win you oodles of praise. But make it with Royal—reliable, cream of tartar Royal! Its even, "steady action" helps make cakes so high, fine-textured, fresh-keeping! Every bite delicious. Protect your scarce rationed ingredients. When baking at home, always use ROYAL cream of tartar BAKING POWDER. Insist on it!

2 cups sifted cake flour 1/2 cup margarine
3 teaspoons Royal Cream of Tartar 1 cup sugar
1/2 teaspoon salt 2 eggs
1/2 cup milk 1 teaspoon vanilla extract

Sift together flour, baking powder and salt. Cream margarine thoroughly; add sugar gradually, beating in well. Add unbeaten eggs, one at a time, beating well after each addition. Add vanilla. Add dry ingredients alternately with milk, mix well. Pour into 2 eight-inch greased layer cake pans. Bake in moderate oven at 375° F. about 25 minutes. Use your favorite chocolate frosting to put layers together and cover top and sides of cake.
Makes 1 two-layer cake.

ARMY NURSES DOFF HATS TO INJURED MEN

By CLINTON GREEN
(U. S. Staff Correspondent)

A CENTRAL PACIFIC AIR BASE, Feb. 10.—(INS)—Three army nurses, now that they have had time to rest from their arduous duties of caring for wounded Americans flown from the bloody Gilberts to the Hawaiian Islands, said today their collective hat is doffed to the soldiers.

Lieut. Lila Jorgensen, of Minneapolis, revealed that some of the less seriously wounded insisted on helping her dress the wounds of their comrades on the long flight—more than 3,000 miles.

"They wouldn't open their mouths and ask for care," he recalled. "They were afraid of causing us too much trouble."

The other two nurses—Lieutenants Frances Morgan of Dallas, Tex., and Margaret Reeve, of Atlanta, Ga.—were equally high in the praise of the wounded—Army, Navy and Marines. They numbered more than 100, with some severe cases.

The nursing trio felt that air evacuation had saved the lives of many of the severely wounded. The speed with which they were handled is seen in the fact that some of the casualties were back in base hospitals within 24 hours after they were injured.

Kept Busy On Flight
Each evacuation plane was staffed with one or two flight nurses and a medical technician. There was little time, during the long over-water hops, for relaxation.

"When we weren't busy with the patients, which was seldom, we made soup and coffee for the pilots," said Lieut. Reeve.

It was the nurses who superintended the loading of the planes on the take-off and they were responsible for the equipment placed on board. As the European theatre of operations, the planes are especially equipped for the evacuation of casualties and just about all necessary types of treatment can be rendered enroute.

Even delicate surgery, according to Lieut. Morgan, could be performed during the flights if it was found necessary.

Nearly Got Jap Flag
Lieut. Reeve said she nearly received a souvenir of the Gilberts in the form of a Japanese battle flag. One of the wounded soldiers had two of these flags.

"I almost got one of them but he decided to give it to the doctor who saved his life," she said.

Lieut. Jorgensen revealed a side-light to their "duties."

"One day on Canton the boys really got a surprise," she said. "We dropped in and had Thanksgiving dinner with them. Except for Mrs. Roosevelt we were the first women of those boys had seen for more than a year."

"They didn't even whistle at us. They just stared and stared."

LACK OF TRUCKS IS FACTOR THREATENING PULPWOOD STOCK

NEW YORK, Feb. 10.—(INS)—The inability of the pulpwood industry to obtain replacements for outgrown trucks was cited today as one of the factors threatening production of domestic pulpwood.

Many trees already are lying where they were felled because producers haven't enough trucks to transport them to the mills, the war activities committee of the pulpwood consuming industries said.

Potatoes were introduced into the United States from England in 1629.

'INVISIBLE' LIQUID
proves great success for **SKIN IRRITATIONS**

Promptly relieves itching—also healing. Here's a Doctor's formula—Zemo—a stainless liquid which appears invisible on skin—yet so highly medicated that first applications relieve itching, burning of Eczema, Psoriasis and similar skin and scalp irritations—due to external cause. Zemo also aids healing. Won't show on skin. Apply any time, in 3 different sizes.

SMALL PLANTS GIVEN WAR CONTRACTS FOR SIXTEEN MILLIONS

PHILADELPHIA, Feb. 10.—(INS)—More than three hundred small war plants employing 500 or less workers received contracts since last July totalling \$16,772,473.00. That was announced today by J. P. McInnis, east coast regional director of construction, U. S. maritime commission.

Of the \$16,772,473.00 total \$4,375,568.00 in contracts was awarded to plants designated to receive help by the smaller war plants corporation. In practically every case the recipients were the low bidders, making it unnecessary for the payment of a premium as allowed under the act establishing the SWPC.

U. S. Strategy Is To Land Ground Forces In China

PEARL HARBOR, Feb. 10.—(INS)—Main objective of U. S. naval strategy in the Pacific today is to land ground and air forces in China.

Admiral Chester W. Nimitz, commander in chief of the Pacific fleet, revealed that he did not believe action alone could defeat Japan.

Just returned from a flying inspection visit to newly won Kwajalein atoll, Admiral Nimitz told a Pearl Harbor news conference:

"The principal obstacle to victory in the Pacific is not the Japs but distance."

"My objective is to get ground and air forces into China as early as possible because in the last analysis I do not believe that Japan can be defeated by naval action alone."

"I believe that Japan can be defeated only from bases in China because the Japs get much of their most important supplies from there."

We want bases in China for air operations—I mean for attacks on the Jap mainland, like those the Germans are getting now."

The prospective drive of the Pacific fleet to China would have far reaching effects other than in supplying striking power on the Asiatic mainland. American seapower striking toward China would sever lines of communication and supply between Japan and her southern outposts. With U. S. warships athwart her lines of supply, Jap garrisons in New Britain, New Guinea, Burma, the Dutch East Indies, French Indo-China, and the Philippines would be virtually neutralized.

Defense Corps Drills Keep Personnel Alert

HARRISBURG, Feb. 10.—Monthly Control Center exercises and periodic local drills have been decided upon by the state council of defense as the best means of keeping Pennsylvania's 630,000 Citizens Defense Corps members trained and alert.

The first of the Control Center exercises was held this week throughout the state, involving only staff members. The local drills, in which air raid wardens and other defense corps personnel will participate, will be staged at times chosen by local leaders.

The new schedule of training was adopted after consultation with county council of defense chairmen at a meeting in Harrisburg last month. The change was made necessary by the army's recent announcement that practice blackouts and alerts will be ordered not often but once every three months.

The policy of keeping the defense corps in readiness for either civilian disasters or enemy air attack is in line with directives from the war department which point out that the danger of enemy attack in our coastal areas will probably continue until the end of the war.

Hull In Appeal To Costa Rica

WASHINGTON, Feb. 10.—(INS)—Secretary of State Cordell Hull indirectly appealed today to Costa Rica to avoid any revolutionary disturbances in connection with the forthcoming presidential elections in that Central American republic.

Commenting on reports of political difficulties in Costa Rica, Hull told his news conference that the state department could not, of course, comment on matters of purely domestic concern to other countries.

Presidential elections in Costa Rica are scheduled for February 12 and there recently were unconfirmed reports that revolutionary elements in the country were acquiring arms.

Don't Neglect Stopping FALSE TEETH

Do false teeth drop, slip or wobble when you talk, eat, laugh or sneeze? Pains of annoyed and embarrassed by such handicaps? DIES ON WAY TO HOSPITAL
OIL CITY, Pa., Feb. 10.—(INS)—Twenty-months-old Ronald Snyder, son of Mr. and Mrs. Merle Snyder, Route 1, Titusville, died Wednesday while his parents were rushing him to a hospital.

The Crawford county coroner reported the child apparently drank some kerosene at his home. His parents said the child became violently ill and that they decided to rush him to a hospital in their car.

Women of the Marine Corps are performing 125 different kinds of work at 52 Marine shore-posts and stations throughout the country.

NEED FOR MORE PUBLIC NURSING SERVICE CITED

HARRISBURG, Feb. 10.—Dr. A. H. Stewart, State Secretary of Health, declared today that increasing requests for nursing service on the home front "is one of the present necessities which must be met."

Pointing out that twenty-four State Public Health Nurses are serving in the Army and Navy, Dr. Stewart said:

"Problems of congested living follow an influx of population into a community not large enough to receive it. Army camps also bring their need for public health nursing service. State Department of Health nurses must ever be on the alert for the first symptoms of communicable disease, with special emphasis being placed on the control of tuberculosis and venereal diseases. Contact tracings claim considerable time and effort. Mothers' classes include not only instruction in the care of children, but the value of good nutrition, and frequent demonstrations in the preparation of foods."

Although the State's staff of public health nurses does not have its full complement today in-service education is being continued because of the many changes that are taking place in public health work, Dr. Stewart said.

Special preparation in the Sister Kenny technique of treating infantile paralysis has been given to many of the nurses, through co-operation with the private agencies in the public health field. Other educational opportunities are made available through group institutes, conferences, lectures, post-graduate and refresher courses covering communicable diseases, pediatrics, etc.

"All forces working for public health, whether official, municipal, or private agencies, should co-ordinate their services so that duplication is avoided, nursing care extended, and distribution of available nursing care made possible," Dr. Stewart stated.

Government Sues Former Official Of WPA For \$35,994

SCRANTON, Pa., Feb. 10.—(INS)—The government sued a former W. P. A. official for \$35,994 in federal court in an effort to collect \$612.60, plus penalties and damages, in wages which U. S. Attorney Frederick V. Follmer charged he had not earned.

The suit was filed against W. Brown Bossert, of Loganville, Clinton County, a former W. P. A. senior education and recreation leader, who was accused of not having performed his duties from June 2, 1942 to January 25, 1943.

Papers submitted by Follmer disclosed that Bossert had been served with the government's claim at Lock Haven, Clinton County seat.

The \$35,994 judgment requested consisted of \$612.60 in wages, a penalty of \$1,000 for each of 17 checks issued to Bossert, and double damages totaling \$1,328.

"Peace Now" Body Being Investigated

WASHINGTON, Feb. 10.—(INS)—Chairman Dies (D) Texas, of the house committee on un-American activities called on members of the "peace now" organization to "fold their tents and quietly steal away."

Committee investigators, Dies revealed, now are searching the group's books, records and literature to determine a "possible connection" with the Axis powers' recent attempt to bring about negotiated peace.

"Its exact nature will soon be determined," he declared.

For the time being, said Dies, this coalition of six pacifist organizations under the name "peace now" can only be reprimanded for launching its move at an inappropriate time.

EDENBURG

The Woman's Society of Christian Service of the Methodist church met at the home of Mrs. Merle Feiger of the North Side Wednesday evening with Mrs. Clifford Beight, associate hostess. The meeting was in charge of the president, Mrs. Roy Raub with Mrs. Paul Roberts, devotional leader. Reports from the treasurer, Mrs. Merle Feiger and the secretary, Mrs. Charles Hoover, were read and approved. Rev. Everett Spring presided. The first member of the new study book entitled "Who Are Americans?" Mrs. Ray Biddle was leader of the program, the theme "A Three-Point Program in Supply Work for 1944," assisted by Mrs. Roy Unangst, Mrs. Sam Book, Mrs. Charles Louden and Mrs. Fred Book. Delicious refreshments were served by the hostesses at the close of the meeting. The hostesses for the March meeting are Mrs. Sam Book and Mrs. Ray Biddle.

Mr. and Mrs. John Robinson and children of New Castle were Sunday visitors at the home of Mr. and Mrs. Roy Gibson of the Edenburg-Hillsville road.

Mr. and Mrs. Charles Louden and daughter Rebecca, were Sunday visitors at the home of Mr. and Mrs. Frank Louden of the Youngstown road.

Mrs. Frank Ussellon and mother Mrs. Delia Yates were Sunday visitors at the home of Mr. and Mrs. George Kuhn of Tent Hall.

PROPERTY SALE

Among the properties up for bid before Judge W. Walter Brahm on Wednesday morning were three pieces on North Jefferson street, all in one block. In the block were the Justice home, the building oc-

cupied by the State Health Department and a frame house on the front.

The old Justice home is a large, well built structure, two story brick and fairly modern. For the three properties a bid of \$11,000 was received. The taxes against the properties amount to \$12,269.70. The county has received in rents in the past year about \$1700.

Judge Brahm did not authorize the sale but said he would hold the bid under advisement. The assessed value of the properties is \$31,000.

REALTY TRANSFERS

Frank Palumbo and wife to James Fobes and wife, Neshamock township, \$1. Willard Deemer and others to Clifford Vinroe and wife, Ellport, \$1.

ONE SENTENCE

Robert E. Emerick, before Judge Brahm on Wednesday for driving while intoxicated was assessed \$60 per cent of the total supply will be allocated to Hawaii, Puerto Rico and the Virgin Islands where rice is a major part of the diet and when minimum needs must be met in full.

REARRANGE LIGHTS

The lights in the outer office of County Controller Andrew M. Dadds have been arranged and the lighting is now much improved. The fluorescent lights which were anchored against the ceiling have been dropped about four feet and now illuminate the office more efficiently.

Bad Coughs Yield Quickly To This Home Mixture

Surprisingly Quick Relief. No Cooking. Saves Money.

Here's a medicine for coughs due to colds, that you mix in your own kitchen. It's so easy to prepare that a child could do it, but once tried, you'll never again be without it.

Make a syrup by stirring 2 cups of granulated sugar and one cup of water a few moments until dissolved. No cooking needed—no trouble at all. Or you can use corn syrup or liquid honey, instead of sugar syrup.

Then add 2 1/2 ounces of Pinex from any drugstore, put it in a pint bottle, and add your syrup. This gives you a

full pint—a family supply—of very wonderful cough syrup. It's thrifty, too—about four times as much for your money. And children take it willingly, because it tastes so good.

This home mixture takes right hold of a cough in a way that's surprising. It loosens the phlegm, soothes the irritated membranes, and helps clear the air passages. Eases the soreness, and lets you rest at night.

Pinex is a special compound of proven ingredients, in concentrated form, a most reliable agent for soothing throat and bronchial membranes. Money refunded if it doesn't please you in every way.

Ever Hear of a Commando Who Wasn't In trim?

Life and the lives of many others depend upon precision action. He keeps fit and ready for any emergency by training and constant practice. Your car, too, needs practice. Since you aren't using it as much as usual, bring it in for a REGULAR check-up to keep it ready for use at any time.

Penny Shortage In Philadelphia Comes To End

PHILADELPHIA, Feb. 10.—The penny shortage, which for months kept the U. S. Mint here working on a 24-hour schedule to keep up with the demand, has officially ended it was declared yesterday by bank officials in the city.

Public response to the request that accumulated coins be returned to circulation, and the purchase of War Bonds with hoarded pennies during the present campaign were termed contributing factors in relieving a situation annoying to banks and to thousands of business houses.

New Coins Sent To N. Y.

Arthur Pritchard, in charge of the money department at the Federal Reserve bank here, said yesterday that the situation in this federal reserve district was so good that shipments of the new copper pennies minted since Jan. 1 had been shipped to New York and other shortage areas, and that none of the new coins had been placed in circulation in Philadelphia.

Copper Had Been Scarce

A six-month period during which no pennies were minted in the country as the U. S. Treasury sought to conserve copper was the principal reason for the shortage, bank officials said. The manufacture of zinc-coated steel coins had relieved the situation.

The mints are now using scrap copper to make pennies. Used cartridge cases salvaged from the army and navy proving grounds are the principal source of supply.

WAMPUM

AMATEUR HOUR

The Wampum school music department will stage their annual amateur hour and radio artists program on Thursday, February 17, at 8:15 p. m. in the school gymnasium. The amateur performers have been secured from Wampum school and surrounding schools.

Miss Mary Ann Van Sovich, of Wampum, has returned home after visiting with her sister and brother-in-law, Mr. and Mrs. Alvin Sygnowski, of Harrisburg.

Two noted watch companies once began to receive their own watches for repair. Examination disclosed the works to be not of their make, but old, inferior and cheap.

SEVENTH WARD

DINNER HONORS

ARMY INDUCTEES

Mr. and Mrs. Philip Ross, 516 North Cedar street, were hosts at a dinner party, Tuesday evening, honoring Benjamin Roman, a January graduate who is leaving soon to assume duties as an army cadet, and Johnny DiThomas, who will leave for army duties, on February 18.

Mrs. Johnny DiThomas also attended the dinner, which included a full course chicken dinner. Assisting the hostess in serving was Pauline Ross.

Special guest attending was Rudolph Roman, who was also honored on birthday anniversary, and received a gift on this occasion.

FRIENDS GATHER TO HONOR SOLDIER SON

Mrs. Louis Natale, of 514 North Cedar street, gave a party at her home on Tuesday evening, when a number of friends and relatives attended. The occasion was in honor of her son, Corporal Louis Natale, of the Antiaircraft Service, home on furlough for nine days from Camp Edwards, Mass.

Games and music were the diversions of the evening, with prizes being awarded to Mrs. Irene Benin and Mrs. Jane Natale.

Splendid refreshments were served by the hostess, who was assisted by Mrs. Frances Richey and Mrs. Lawrence Richey.

AUXILIARY BUYS BOND DONATES TO HOSPITAL

Mrs. Louis Ezze, of Montgomery avenue, treasurer of the Christopher Columbus Society Auxiliary, reports that at a meeting of the society members at Columbus hall, Wednesday evening, it was decided to purchase another War bond out of funds in the treasury.

The auxiliary has also got together a nice sum of money which they will donate toward the Deshon hospital for disabled soldiers at Butler.

WARD YOUNGSTER STRUCK BY AUTO

Donna Mae Hill, seven-year-old daughter of Mr. and Mrs. George Hill, 926 North Cedar street, was struck by an auto driven by J. S. Stewart, 276 Elm street, Sharon, Pa., Wednesday evening at 7:45 o'clock. The accident occurred on Cedar street.

The youngster was taken to the New Castle hospital, Mr. Stewart, where it was learned that she is suffering with an injured right leg and head injuries.

PATROL TO MEET

Harold Farris, of 906 West Clayton street, will entertain members of the Eagle Patrol of Mahoningtown Boy Scouts, on Saturday evening at 7 o'clock. Members will go on a hike Saturday morning, meeting at the Farris' home at 9:30.

LADIES AID MEETS

At a business meeting of the Ladies Aid Society of the Madison Avenue Christian church, on Wednesday afternoon, it was planned to serve meals in the church dining room for those attending the district convention of the Christian church to be held here during May.

SOLDIER BACK ON DUTY

Word has been received by Mrs. Ruth Daugherty, of Mt. Jackson road, that her husband, Private

Mark Daugherty, of the Infantry Corps, Camp Wolters, Texas, is back on duty. Private Daugherty had been confined to the hospital, having been quite ill.

RECREATION AT CHURCH

At the Mahoning Methodist church, on Friday evening, commencing at 7:30, the Youth Fellowship society will sponsor a recreation period in the social room of the church. Table games will be provided for the various groups.

BANQUET SATURDAY NIGHT

Members of the Christopher Columbus Society of the Christopher Society will have a banquet at Columbus hall, South Liberty street, on Saturday evening, commencing at 7 o'clock.

SEVENTH WARD PERSONALS

Mr. and Mrs. Ransom W. Barris, of Mt. Jackson road, have received word that their daughter-in-law, Mrs. E. Ransom Barris, of Meadville, who underwent a minor operation at the hospital there, has been returned to her home, and is getting along nicely.

Mrs. Bruce McClure, of East Washington street, has moved to 703 West Clayton street. Mr. and Mrs. Jack Solomon and the former's mother, Mrs. Lena Solomon, have moved to their newly acquired home on Liberty street, near Maple street.

Miss Genevieve Moss, attached to the State Department in Harrisburg, is visiting with her parents, Mr. and Mrs. W. A. Moss, of North Liberty street, also here to bid adieu to her brother, Albert, who leaves for service in the navy today.

Corporal Alex Natale, attached to Antiaircraft Service, stationed at Camp Edwards, Mass., is on nine days furlough, visiting with his parents, Mr. and Mrs. Louis Natale, of 514 North Cedar street.

Mr. and Mrs. Albert Moss, of Cleveland, are visiting at the home of the former's parents, Mr. and Mrs. W. A. Moss of North Liberty street.

Mrs. Louis Ezze and mother-in-law, Mrs. Mary Ezze, of Montgomery avenue, and Mrs. Albert Flacco and children, of Lafayette street, have returned from Rochester, Pa., where they visited with Mrs. Flacco's parents.

Mrs. H. W. Patterson of R. D. 7, who underwent an operation in the Jameson Memorial hospital, is recovering nicely.

It is said that U. S. one and five-dollar bills last one month in going the rounds among Army troops and natives in the South Pacific islands.

WORTH FIGHTING FOR

Healthy Homes Make Truly Happy Families

During the past 85 years Father John's Medicine has been used in thousands of families, and has proved its value by actual merit.

It has won the confidence of those who have used it both for adults and children.

It soothes and relieves coughs due to colds. Contains no alcohol or harmful drugs.

January Proved Easy On Coal Pile

Temperatures Were Almost Five Degrees Per Day Above Normal

With temperatures which averaged 4.9 degrees per day above the normal, January proved an easy month on the coal pile. There was also a deficiency of precipitation and another month with very little snow, the record of B. F. Johnson, U. S. weather observer reveal.

The mean maximum temperature

was 41.7 degrees, mean minimum, 24.5 degrees, and mean or average, 33.1 degrees. The highest temperature was 64 degrees on the 26th and the lowest was 8 degrees on the 9th. Last January the highest temperature was 59 degrees and the lowest was 4 degrees, when the average was only 1.4 degrees over the normal for the month.

The total precipitation for the month was 2.83 inches, a deficiency of 57 inches. The greatest amount in 24 hours was .80 inches on the 4th day of the month. The total snowfall was only 2.4 inches, which 1.8 inches fell on the 23rd. There were only six days when the maximum temperature stood below 32 degrees, with 27 days on which

the minimum was below 32 degrees. There were only 8 days with .01 inches or more of precipitation, and four days with 25 inches or more. Days clear were 5, partly cloudy 11 and cloudy 15.

Last year, the precipitation was 1.34 inches below normal, but 8.7 inches of snow was noted.

INJURED AT WORK

William Shmura, age 56 years, of 13 Miller street, was injured at work at the Johnson Bronze Company Wednesday at 4:25 p. m., and was taken to the New Castle hospital, where he is undergoing treatment. The extent of his injuries is not known at the present time.

Flier Bails Out In France, Then Goes To Movies

NEW YORK, Feb. 10.—(INS)—What do you do when you're forced to bail out of your crippled warplane over Nazi-held France?

You land neatly on your feet, pick up your chute and dispose of same, then casually go to the movies. At least that's what one young RAF airman did, an NBC

correspondent in London reported today.

"Instead of turning himself over to the Nazis, or trying an immediate escape, the Britisher casually made his way to the nearest town and spent the next few days sight-seeing and going to the movies," the correspondent reported.

"Soon afterwards he turned up at his father's home in England. How? Well, that's where we run into the problem of security again."

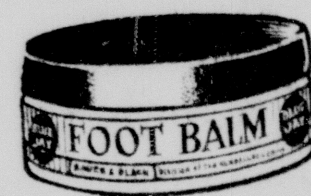

During the 12 months of 1942 the army air forces within the continental United States flew a distance equal to 81,170 trips around the earth.

CHARLES KNOWLES HURT
Charles Knowles, of East Main street, local roofer, suffered painful injuries Wednesday afternoon while working at the home of Alderman O. H. P. Green, Richfield avenue, when he fell a distance of 14 feet from a ladder, alighting on the doors of an outside toilet structure. He was injured about the knees, but it is believed no bones were broken.

EAST BROOK CLUB
East Brook Home Economics club will meet Tuesday afternoon at 1:30 o'clock in the home of Mrs. Mabel Moser, with Mrs. Marie Stunkard as associate hostess. Work will continue making house dresses under the direction of Josephine Simpson.

OPPOSITION TO SPECIAL SESSION

State House Minority Leader
Expresses Attitude On Poss-
ible Session Call

By JOHN PAGET
(U. S. Staff Correspondent)

HARRISBURG, Feb. 10.—Opposition to a special session of the Legislature to liberalize Pennsylvania's soldier voting procedure was voiced today by House Minority Leader Reuben E. Cohen.

The Philadelphia Democrat maintained that pending congressional legislation was expected to make it unnecessary for the Commonwealth to spend more than \$500,000 for a special session.

Congressional legislation, Cohen asserted, was a "simple solution for a simple problem."

"I am firmly convinced at this time that a special session of the legislature is not necessary," he declared.

State election officials, who oppose federal supervision of soldier voting abroad in favor of a so-called state's rights bill now being considered by Congress, point out that failure to enact "suitable" legislation may force an extraordinary session of the assembly to extend the period in which soldiers and sailors may apply for unexpired ballots and return their selections to county commissioners. Fifty days have been provided by law for the procedure, although all ballots must be received within 10 days after the November 7 general election.

It would be a cruel joke to play on our fighting men and women," Cohen said, "to complicate the matter of recording their votes in the coming election by adopting separate state laws."

The purpose of military ballots, he asserted, was to give servicemen of voting age "the simplest possible form of expression" of their choices in the national election.

"The enactment of a law by Congress which will provide in simple terms and by a special procedure a means of voting for offices is the answer to the problem," Cohen declared. "In times like these the necessity for a central government functioning for the good of all the people seems to be the answer to the problem which the founding fathers sought so diligently."

He said Gov. Edward Martin, a soldier for more than 40 years, "who has been so close to our fighting forces in troublesome times should be the first to fully comprehend this simple problem and its simple solution."

home on a short furlough. He is the son of Mr. and Mrs. W. D. Groce.

Set Steve Dutko, of Fort Bragg, N. C. is spending a 10 days furlough with his wife and daughter.

Mr. and Mrs. Lee McCutcheon, of Beaver Falls, were recent visitors at the home of his mother, Mrs. E. E. McCutcheon.

U. S. To Provide Lion's Share Of European Relief

WASHINGTON, Feb. 10.—(INS)—Assistant Secretary of State Dean Acheson said today the United States will furnish about two-thirds of the United Nations funds to carry out post-war European relief.

He told the senate foreign relations committee this nation's \$1,350,000,000 participation in UNRRA will be the lion's share of the approximately two billion dollar total expected.

Acheson also disclosed that the United Kingdom will provide 320 million; Australia 40 million; Canada 75 million, and New Zealand 15 million.

He said Russia will not contribute to UNRRA relief funds because "its territory has been invaded."

India, likewise, is expected to furnish no money, Acheson stated.

Sen. Vandenberg (R-Mich.) asked if the Mundt amendment inserted in the bill by the house and providing UNRRA relief to India and needy countries not invaded, would relieve Great Britain of her relief responsibilities in India.

"Oh, no," Acheson replied. The UNRRA resolution was passed by the house and amended to include provisions for India relief. It now faces approval by the Senate.

CRIME FALLS OFF
NEW CASTLE, Pa.—(INS)—Lawrence county was a better place to live in during 1943 than the preceding year. Cases of crime fell from 431 to 367.

It's easy, thrifty and practical to follow Uncle Sam's advice!

MISS BELLE MARTIN

TO WED SATURDAY

Mr. and Mrs. G. Martin, 34 North Beaver street, announce the approaching marriage of their daughter, Belle Martin, to Lieut. L. C. Suhosovsky, of Camp Reynolds, son of Rev. and Mrs. C. Suhosovsky, of Newark, N. J.

The wedding will be an "open church" ceremony, Saturday, February 12, at 2:30 o'clock, in the St. George Greek Orthodox church, at 215 East Reynolds street.

Theta-Rho Girls

Theta-Rho Girls enjoyed St. Valentine's party in the I.O.O.F. Hall Wednesday evening, with the Junior I.O.O.F. members sharing as special guests.

As a complete surprise, the boys present, chaperoned by Mont Sweeney and William Bates, entertained carrying a fifteen pound Valentine cake and presented to the Theta-Rho Girls. Music and dancing filled in the hours that followed the refreshment period.

Acting chaperons for the hostesses included Mrs. Marie Roof, Mrs. Josephine Holmes, Mrs. Sara McKinley and Mrs. Nelson.

Victory Bible Class

Mrs. Charles Drake, of Meyer avenue, was hostess to the Victory Bible class of St. John's Lutheran church, on a recent evening, with Miss Mary Riffer as associate hostess.

Devotions were in charge of Mrs. Frank Wimer, and the business session was conducted by Mrs. G. R. Weber, president.

Afterwards, an informal social hour was enjoyed, Mrs. John Baer assisting the hostesses serve refreshments at the nicely arranged table.

N. N. 500 Club

N. N. 500 club members were entertained at the home of Mrs. James Bell, East Leasure avenue, Tuesday evening for cards.

Prizes in the card play went to Mrs. Walter McKee and Mrs. Robert Rook. Special guests were Mrs. Katherine Ayers and Mrs. Jean Wise with the latter assisting the hostess.

On February 22 the club will have a tureen dinner at the home of Mrs. Frank Sargent, Neshannock avenue.

Miss Freed Honored

Miss Mary Freed, daughter of Mr. and Mrs. Angelo Freed, Court street, who is leaving soon to do evangelistic work, was honored at an informal farewell party Tuesday evening in the home of Mrs. Emma DeLoak, Cascade street. Mrs. Joe Magie and daughter, Connie, and Sue Rasmussen were co-hostesses.

Help Kidneys If Back Aches

Do you feel older than you are or suffer from Getting Old Aches, Backache, Nervousness, Leg Pains, Dizziness, Swollen Ankles, Rheumatic Pains, Burning, scanty or frequent passages? If so, remember that your kidneys are vital to your health and that these symptoms may be due to non-sterile and non-systemic kidney and bladder troubles—in such cases Cystex (a physician's prescription) usually gives prompt and lasting relief by helping the kidneys flush out poisons, excess acids, and wastes. You have everything to gain and nothing to lose in trying Cystex. An iron-clad guarantee assures a refund of your money on return of empty package unless fully satisfied. Don't delay. Get Cystex (8155-Text) from your drugist today. Extra-fresh taste. Only 35c.

FAMILY NIGHT DINNER

AT FIRST U. P. CHURCH

J. P. Lockhart Bible class of the First U. P. church sponsored the third in a series of family night dinners at the church on Wednesday evening.

Serving of a tureen dinner was followed by an informal social time and a meeting of teachers of the Sunday school.

Re-Delta-Deck Club

Miss Margaret Griffiths, of West Washington street, entertained the Re-Delta-Deck club, Wednesday evening in her home.

Tables of contract bridge were in play, high score prizes going to Mrs. Ed Spencer and Laina Nemi. Special guests included Marguerite Mulden and Cleora Williams.

At the close of play, delicious lunch was served by the hostess, with the assistance of her mother, Mrs. Paul Griffiths.

February 23 is the meeting with Laura Cowmeadow, of 912 Beckford street.

Teen-Age Dept. Party

This evening in the First Methodist church, Teen-Age department members will gather at 7:30 o'clock for a Valentine party. Games and other features will be enjoyed with refreshments served. David Rees, superintendent, will be in charge.

L. O. L. No. 129

Members of the L. O. L. No. 129 will observe their 40th anniversary, with a tureen dinner, Friday evening at 6 o'clock, in the Neshannock avenue club rooms. Afterward the regular meeting and initiation of candidates will be held.

Martha Washington Lodge

Martha Washington Lodge No. 24, will meet for a tureen supper at 6 in their hall on Neshannock avenue, Monday evening, February 14. Miss Fannie Love is worthy mistress of the organization. Chairman in charge is Mrs. Mary Miller.

Clarion Couple Wed

Miss Myrtle Maxine McKensy and Meade Ralph Kifer, both of Clarion, Pa., were married here Wednesday afternoon at four o'clock at the residence of Alderman O. H. P. Green, Richelieu avenue.

Teen Age Dance

Teen age dance will be held at the Cathedral Saturday evening at 8:30 o'clock, under the auspices of the Order of Rainbow for Girls.

Y. W. C. A. NOTES

NEW SOPHOMORE CLUB

The new Sophomore NeCAHi Reserve club held a short business meeting at the Y. W. C. A. The following officers were elected: president, Joanne Dart; vice-president, Nancy Klose; secretary, Eleanor Thomas; treasurer, Katherine Ralphy; intercub delegates, Elaine Ray and Jean Kelly. Following the business meeting the club joined with the NeCAHi Senior club for an informal social time. Refreshments were served by the NeCAHi Senior social committee under the direction of Miss Grace Dodson, club adviser. The Sophomore Girl Reserve will meet at the Y. W. C. A. the first and third Monday evenings of each month at 7:30. The new cabinet will meet on Thursday, Feb. 17 to select committee chairmen for the club.

NE-CA-HI SENIOR CLUB

NeCAHi Senior club held a brief business meeting, Emogene Ringer, president, presided. A party with the NeCAHi Sophomores, followed. The club will hold bandages at its next meeting. Miss Grace Dodson and Mrs. Robert Patton are advisers.

SOUTH BORO RESERVES ELECT

The South New Castle Boro Girl Reserves organized their club for the second semester, with officers elected as follows: president, Lois Fordyce; vice-president, Mary Carvaggio; secretary, Delores Jaskolka; treasurer, Helen Vanasky; reporter, Delores Fruit; inter-club council delegates, Jean Kroen, Mabel Darwin. Miss Garnetta Cameron is the club adviser.

L. C. B. A. Branch 467

U. G. Ramsey & Sons

IN U. S. ARMED SERVICE

(War Censorship Regulations Limit Information Allowed in This Column)

Lieut. Helen O'Tousa, of the Army Nurses Corps, Harrington Army Air Field, Harrington, Kan., is spending a 15-day furlough with her mother, Mrs. Nancy O'Tousa and family, of 399 Crescent avenue, Elwood City. Lieut. O'Tousa is a graduate nurse of the New Castle hospital School of Nursing.

Corp. Jack Rickel, 806 McCleary avenue, has been promoted to the rank of sergeant. Sgt. Rickel is stationed at Fort Bragg, North Carolina.

City Detective Thomas Lynch has received word that his son Corp. Thomas Lynch, Jr., who was with the First Division, Fifth Army, was wounded in Italy and is now in a hospital in England. Corp. Lynch was with the U. S. forces which invaded North Africa. It was the first word received in four months.

Arthur T. Veard, electrician's mate 3-c, U. S. N. R., has returned to his ship after spending a short leave with his parents, Mr. and Mrs. E. H. Harrah, 1228 Finch street.

Pfc. Leland E. Denniston, of Fort Benning, Ga., had a 3-day leave over the week-end which was spent in Birmingham, Ala. His time was spent with his brother, Delbert Denniston, who is in the south on business. Sunday evening, Mr. and Mrs. J. P. Denniston, of 923 East Washington street, received a wire reading, "Wondering how you are. We are enjoying a nice visit here together. Love, Leland and Delbert."

Mr. and Mrs. Frank Spinelli, of 218 East Lutton street, have received word that their son, Aviation Cadet Tom Spinelli has been promoted to the rank of student sergeant. He is attending the University of Florida at Gainesville, Fla.

John Greer, who has been district farm security administration supervisor here for the past several years, with offices in the Post Office building, is now Ensign John Greer, U. S. Naval Reserve. He was commissioned at Pittsburgh, Tuesday. Ensign Greer will report for active duty on February 28. His wife and young son will remain temporarily in New Castle.

Pfc. John O. Potter, Army Air Corps, has arrived for duty in Alaska, according to word received by his parents, Mr. and Mrs. Orville Potter, of 201 Hillcrest avenue.

Pfc. Thomas G. Depolis, stationed at Walter Reed hospital in Washington, D. C., has arrived here for a nine-day furlough at his residence on the Butler road. He was accompanied by his wife who has been residing with him in Washington.

Mr. and Mrs. Ira Walters of 342 Francis street, have received word that their son, Pfc. James R. Walters, has arrived in England.

Pvt. Reno Baxter has returned to Miami Beach, Fla. after spending a twenty-one day furlough at the home of his wife, Mrs. Ethel Baxter of 342 Francis street, and his parents, Mr. and Mrs. Elmer Baxter of Hartman street.

William Boes, 21-man 2-C, has arrived home on 21-day leave after completing boot training at Sampson N. Y. He is at his home, Edenburg, R. D. 1.

Sgt. Arnold E. Blews has arrived overseas, according to word received by his wife of Tempeleena avenue. He has been awarded a mechanics medal and also a good conduct medal.

Lieut. Alex Dutkin of East Reynolds street, has notified his parents of his transfer to a new fighter squadron at Majove, Calif.

Pfc. James C. Rucker, of the USMCR, son of Mrs. Laura Rucker, 312 Leasure avenue, is now stationed at Grove City College, Pfc. Rucker is taking advanced training in radio and radar. After his boot training at Parris Island he was selected with a group of men to take pre-radio and radar training at Wright Jr. College in Chicago. After finishing at Grove City he will be sent to Corpus Christie, Texas, for his final training.

Mrs. Mary Rosich of 100 Montgomery avenue has received word from her son, Martin Matthew Rosich, who is stationed at Norfolk, Va., that he was confined to the hospital, but is now getting along fine.

Pvt. Gayle I. Goad of the military police corps, Washington, D. C., returned to that city recently after spending a six-day leave at the home of his parents, Mr. and Mrs. W. H. Goad, North Ashland avenue, and his grandparents, Mr. and Mrs. Harry Bradley, Sr., Shaw street.

Dan Parsons, seaman 2-C, son of Mr. and Mrs. Walter S. Parsons, of 417 Spruce street, who recently spent an enjoyable 12 day leave at home after completing his boot training at Sampson, N. Y., has been transferred to Washington, D. C., for further training, according to word received by his parents. His brother, Lieut. John F. Parsons, is stationed in England. A third brother, Joe Parsons, is stationed in Ireland.

Pvt. Dane K. Kornumpf has arrived from Angel Island, Calif., to visit his parents, Mr. and Mrs. Levi Kornumpf of 311 Pine street, for a two-week furlough.

Cadet Donald E. Magill returned recently to Chicago, Ill., to resume his studies at De Paul university after spending a week with his parents, Mr. and Mrs. Robert G. Magill of Highland avenue. Cadet Magill starts his third period in the engineering course in the army's specialized training program.

Mr. and Mrs. Andrew Kiehl of 56 High street have received word that their son, Pvt. Edward C. Kiehl, has arrived in England. Their second son, Sgt. B. Paul Kiehl, returned to the State University of Iowa for his final semester of work in foreign language and area study after spending a seven-day leave here visiting his family.

Donald D. Yoho, son of Aaron J. Yoho, 617 Raymond street, has completed the course of training in the aviation radioman school, naval air technical training center, Memphis, Tenn.

Mrs. Hammond Farrar, of R. D. 6, Butler road, has received word that her brother and wife, Corp. and Mrs. Carl E. Lundeen, have been transferred from Greenville, S. C. to Tampa, Fla. Corp. Lundeen is attached to the U. S. Army Air Corps, and is the son of Louis Lundeen, of R. D. 6. Mrs. Carl Lundeen is employed by the Bell Telephone Co., at Tampa, Fla.

Corp. Henry Stewart has been transferred from North Africa to Italy, according to word received by his wife, Mrs. Rebecca Wallace Stewart, of Euclid avenue.

Capt. H. L. Gordon, Jr., has arrived here from a west coast station to spend a few days of leave with his parents, Mr. and Mrs. H. L. Gordon, of Highland avenue.

PERSONAL MENTION

Mrs. R. A. Patterson and daughter, of East Brook, are visiting with Mrs. Ed McAnis, of Warren, O.

Miss Kathleen A. Angellio, 602 Lutton street, has been pledged to the Theta Phi Alpha sorority at Pennsylvania State college.

Mrs. Gabriel Pascarella of 1014 West North street departed for New River, N. C. to visit with her husband, Pfc. Gabriel Pascarella of the U. S. marines.

Word is received here, announcing the birth of a daughter to Mr. and Mrs. Robert L. Shannon in the Shady-side hospital, Pittsburgh, on February 6. The Shannons, former residents of this city, are the parents of twin daughters. She will be remembered as the former Mary Jane Wood, daughter of Mr. and Mrs. M. G. Wood, New Castle.

W. C. T. U. AND L. T. L.

Loyalty Luncheon
Lawrence County W. C. T. U. will hold its annual Loyalty luncheon at the First Methodist church here on Tuesday, February 15, at noon. Rev. J. W. Gladden, of the Ellwood Methodist church, well-known lecturer on temperance, will be the guest speaker. Vocal selections will be sung by Mrs. Joseph Houk and Mrs. Joseph Pringle.

Luncheon reservations must be made by Saturday noon, February 12, with Mrs. W. G. Wilkins, 1230-J. The county executive committee will meet at the church at 10:30 a. m., before the luncheon.

Parent-Teachers

Rose Avenue Meeting
Rev. C. R. Thayer, pastor of the Third United Presbyterian church was the speaker Tuesday night when the Rose Avenue Parents-Teachers association observed Ponder's Day in the school auditorium. Rev. Thayer's theme was "Keeping Faith". In it he urged for a closer co-operation between teachers and parents, to the end that the educational system may be aided.

The president, Mrs. Jessell opened the meeting and presided at the business meeting. Mrs. Edward Davenport gave the history of the Rose Avenue PTA from 1927 to 1944. A silver offering was taken.

Room 1-1 was high in the attendance of parents and the youngsters of the room were given a party Wednesday afternoon. Games were played and prizes won by Gerald Bailey, John Carroll, Sandra Fowler and Ann Richards.

Boy Scouts
Troop Nine
Boy Scout troop 9 met at the Sun-ny avenue school Wednesday evening with Assistant Scoutmaster Al Dudo in charge in the absence of Scoutmaster J. Arthur Turek. Those taking part in the opening exercises were Glen Hedrick, Teddy Argilan, Carl Dominick, Floren Sheftik and Kenneth Keck.

The boys were praised for their fine cooperation in the paper salvage collection last Saturday, when thousands of papers were gathered. Kenneth Keck had charge. Joe Hritz was accepted as a new member. After a period of instructive games, the meeting closed with the scoutmaster's benediction and a friendship circle.

Scribe, Kenneth Keck.

Elm St. Y. W. C. A.

The junior and senior hostesses of the Elm street Y. W. C. A. center will go to Camp Reynolds Friday, February 11.

Texas Technological college is experimenting with the use of mechanical cotton pickers in the plains country.

New Opportunity For Enlistment In W.A.C. Given

Women can now enlist in the Women's Army Corps and request initial assignment at one of the following army installations where various job vacancies exist:

Fort Eustis, Va.
Camp Pickett, Va.
Deshon General hospital, Butler, Pa.

Camp Lee, Va.
Newport News, Va.
Fort Monroe, Va.

Many important and interesting assignments are waiting. There are various jobs such as clerks, cooks, personnel, bookkeepers, typists, telephone operators and many others which you are qualified to do. Also women are needed to work in many technical fields such as medical supply, surgical technician, medical laboratory technician, dental technician and X-ray technician which are so vital to victory.

For further and complete information, go to your nearest recruiting station. In New Castle the army recruiting station is located in the P. O. building, phone 7593 and in Sharon, the USO building on State and Pine streets, phone 23563.

Selectees Leave For Duty In Navy

Large Group Departs For Pittsburgh This Morning For Assignment

Men from the districts served by Selective Service Boards One and Two of the city and No. Two of the county who were accepted last month for navy duty, departed for Pittsburgh this morning, where they were to report early this afternoon for assignment.

Most of the men summoned in this group were fathers, some of them with several children, and tearful farewells were said by their families. The men left via the P. and L. E. railroad.

They had originally been ordered to report last week, but secured a stay of a week when the orders were changed by the War Department.

Those called up for Army duty are scheduled to leave next week. Those leaving were presented with the customary gifts of the Lawrence County Service Men's Aid group of the U. S. O.

BIRTHS

(Announcements to appear in this column must be signed with the address of the writer, and also give name of doctor.)

Born to Mr. and Mrs. Walter Leckwart, South New Castle Boro, a daughter, January 28, who has been named, Josephine.

Born to Mr. and Mrs. John W. White, R. D. 1, a daughter, in the Jameson Memorial hospital, February 10.

Mr. and Mrs. William D. Richards of R. D. 3, Euclid avenue, announce the birth of a son, February 9, in the New Castle hospital.

GIRL SCOUTS

Troop 6 Meeting
Troop 6 met at Highland school on Monday when new scouts working for second class badges learned to do the poe and the Viennese waltz. Troop leader, Mrs. John O. Huston, assigned the girls work towards earning the Garden Flower Funder badge.

Loosen Asthma Mucus Sleep Fine

Say Thousands of Sufferers
Coughing, gasping, wheezing, recurring attacks of Bronchial Asthma ruin your sleep and rob your blood of vitally important oxygen because you can't get in and out of your lungs properly. But now it is no longer necessary to suffer from these terrible attacks without the benefit you may receive from a physician's prescription called Mendaco. Within a very short time after the first dose, Mendaco ingredients start circulating thru the blood, thus reaching the smallest as well as the largest bronchioles where they usually quickly help liquefy, loosen and remove thick strangling mucus, thereby promoting free breathing and more restful sleep. In fact, Mendaco has proved so successful in helping thousands of sufferers from recurring spasms of Bronchial Asthma that it is sold under a guarantee of money back unless completely satisfactory. So get Mendaco from your druggist today for only 60c.

Mendaco

NO MEDICINE WITHOUT EXAMINATION

A doctor wouldn't think of prescribing treatment without first knowing the symptoms. It's the same with insurance. Let us examine your needs and then make recommendations.

Fewer Auto Tires For Civilians Now

WASHINGTON, Feb. 10—Civilians will get 6,000,000 to 12,000,000 fewer passenger car tires this year, Rubber Director Bradley Dewey reported today.

Previously, 30,000,000 tires were considered the essential annual minimum for civilians.

"The situation is tight but there is no sign of disaster," Dewey said. "I don't think there will be any further tightening of rationing, were at the low point now and will stay there for about six months."

The rubber director said that sharply increased pre-invasion demands of the armed forces were largely responsible for the shortage of synthetic rubber and cotton cord available for civilians. Passenger tire production in 1944 for civilians probably will run between 18,000,000 and 24,000,000, he said.

The saying that people can't stand prosperity means they can't stand peace and contentment when they are independent of the public's good will.

LIFE ASSURANCE FIGHTS INFLATION

Policyholders' savings important contribution to War Effort and Post-War Reconstruction

One of the many distinctive services performed by Life Assurance in these urgent times is the mobilization of the people's savings against the insidious but none the less devastating enemy—inflation. Thus millions of men and women, advised by a worthy and highly-trained group of their fellow-countrymen who "sell" Life Assurance, withhold their savings from the luxury market and set them aside to secure protection and well-being for themselves and their loved ones in the unknown days to come.

In the past year alone, the million policyholders of the Sun Life of Canada have set aside \$112 millions of their savings in the form of Life Assurance premiums.

During the war years there has been a marked increase in the basic service rendered by Life Assurance—personal and family protection in the time of greatest need. The Sun Life of Canada, since September 1939, has paid out 365 million dollars to policyholders and beneficiaries, a really significant contribution to the stability of national family life in time of emergency.

SUN LIFE OF CANADA

Urges Spurt In "E" Bond Sales

State Chairman Of War
Finance Committee Speaks
Here Wednesday

GENERAL RECORD OF COUNTY LAUDED

Lawrence county War Bond solicitors were congratulated for their fine showing in the campaign thus far, but were urged to bear down harder upon the sale of "E" bonds Wednesday at noon in the Courthouse hotel when G. Ruiland Rebmann, state chairman of the war finance committee, spoke.

"Your county has made an excellent showing, especially in corporate bond sales," said Mr. Rebmann. "The bond sales which are lagging here, as they are in many counties, is the sale of 'E' bonds. These are the backbone of the campaign, not from the size of the individual bond, but from the fact that it gives the citizens a personal participation in the campaign. The campaign ends February 15 and your county is now about 50 percent of its quota of 'E' bonds. Won't you go out and put the quota over?"

Other Leaders
J. W. Marvin, deputy state manager, and Glenn Cook, Fort Pitt area manager, were present and took part in a forum discussion of the campaign and plans that have been worked out. Both men were pleased at the plan adopted here and the manner in which the campaign had been worked.

Judge W. Walter Braham, campaign chairman; Joel S. McKee, co-chairman; and Roger Jewett, deputy executive director, of the campaign, spoke. Other men present were the area chairman of Lawrence county.

As the matter stands today, Lawrence county needs roughly \$900,000 to meet its quota of "E" bonds. These are the savings bonds, the people's bonds, the bonds that represent Mr. and Mrs. John Q. Public's financial participation in the war. The corporate quota here will be met, as will other issues, but the sticker just now is the "E" bond, the little fellows starting at \$18.75.

The "E" bonds are practically the same as bank notes, in that they can be used in case of emergency. In importance they rate ahead of bank notes, mortgages or debentures of any kind, for if the "E" bonds ever go sour they won't be a stock or bond, but the country worth a dime and the dime wouldn't be worth anything, either.

Tonight the motion picture, "A Guy Named Joe," will be premiered in the Penn Theater through the courtesy of the motion picture theater owners of New Castle. Money will not buy an admission to the picture, only bonds purchased at the theater box offices are good for admissions. The doors open at 7:45 and the show goes on at 8:30. The promotional cost of the picture is borne by the theater owners, the labor such as projection of the picture, ushers, cashiers and the like, is being donated by the employees of the theaters.

Bull-fighting, before the present world war, is said to have paid better than prize fighting.

YOUR FEDERAL INCOME TAX

No. 32
INTEREST DEDUCTIONS
(PART I)

Interest on indebtedness, with certain exceptions, is an allowable deduction from income for Federal income tax purposes. In computing normal tax and surtax, deductible interest includes both interest incurred in connection with a business or profession, and interest on personal indebtedness. In computing a business interest, however, interest on personal debts is not allowable, and a deduction for interest is allowable only if the debt was incurred (a) in carrying on any trade or business, or (b) for the production or collection of income, or (c) for the management, conservation, or maintenance of property held for the production of income.

Interest on business debts should be shown either in Schedule C (1) on page 2 of the return Form 1040, or arrive at the net amount of rents and royalties entered as item 7 of the return, or in Schedule C (2) to arrive at the net profit (or loss) shown in item 8 of the return. Interest on personal debts should be included in item 12, under "Deductions," and supported by an explanation (in Schedule E) of the deduction. On short Form 1040A, no deductions should be entered for interest, because the tax table on this form already allows the benefit of an average amount for such deductions.

Interest on personal indebtedness may include interest on a mortgage on a home, interest on the price of household goods purchased on the installment plan, as well as interest on personal loans. Interest paid on a personal loan, or unpaid taxes is also deductible. It is not necessary that the indebtedness be secured by a lien or mortgage for the interest to be deductible, but there must be a legal obligation on the taxpayer to pay the interest.

In entering interest deductions, several distinctions and qualifications must be kept in mind. In the case of a mortgage loan on one's home, the contract frequently calls for a monthly payment covering both interest and amortization of the loan. Since only the interest is deductible, it is necessary to separate the two amounts to find the interest paid during the year. Interest on a mortgage also must be distinguished from other items often included in home payments, as loan insurance, accrued taxes, and fire insurance. Some of these items may also be deductible, but not under the heading of "Interest." Ordinarily the institution holding the mortgage will supply the mortgagee with a statement of the interest paid during the year.

Tenant-stockholders of cooperative apartments may also include as interest deduction the proportion of interest paid or incurred by the apartment corporation on any outstanding indebtedness which was contracted for the purpose of acquisition, construction, alteration, rehabilitation, or maintenance of the apartment building, on the acquisition of land on which it is located.

Likewise, in the case of personal loans and installment purchases, a portion of the payments frequently represents "insurance" and "finance charges." In these cases, it is advisable to obtain a statement from the store or finance company as to the amount of the payments which represents interest. Where the contract of purchase provides only for payment by a series of payments, with no mention of interest, would be deductible.

Frequently, interest in the form of discount—that is, the amount of the interest is deducted from the proceeds of the loan to the borrower at the time of making the loan. Such discount would be an allowable interest deduction at the time the loan is paid (or, in the case of a taxpayer on the accrual basis, as the interest accrues).

NEW ADDITION TO RECRUITING STAFF

Corp. Phyllis M. DiFilippo, of Kennett Square, Pa., has reported for duty at the U. S. Army recruiting office here, to assist in the work of recruiting.

Corp. DiFilippo is an Air WAC driver and enlisted in the Women's Army Corps in January, 1943.

In the near future, a staff car is expected to be sent here so that personal contacts can be made with women who work until 5 p. m. or later. Corp. DiFilippo will be the driver.

WORKERS NEEDED

NEW YORK (INS)—The U. S. Employment Service has launched a New York drive for 40,000 workers, including 10,000 women. Women are needed in aircraft and metal working industries and chemical factories.

BEST NEWS TO MILLIONS

AWARDED MEMBERSHIPS

GROVE CITY, Feb. 10.—Seven seniors at Grove City college were awarded memberships in "Scroll and Key," scholastic honorary group, at an "Honors" program held yesterday. In addition, 23 members of last year's graduating class, and 89 undergraduates received scholastic merit awards.

New "Scroll and Key" members

are: Anne Bierly, Brooklyn, N. Y.; Anna Mary Campbell, Sarpsburg; Ruth Jean Heasley, Ford City; Dorothy Louise Kamerer, Butler; Marjorie Linhart, Tarentum; Miriam Jane Miller, Edgewater Park, N. J.; and Jane Elizabeth Urey, Clearfield.

Gravitational pull of the moon upon particles on the earth is thrice that of the sun.

FIRE IN PITTSBURGH

PITTSBURGH, Feb. 10.—(INS)—Damage was estimated at about \$50,000 today following a three-alarm fire of undetermined origin, which swept through an Oakland garage and destroyed 25 automobiles.

Flames which shot 30 feet into the air caused large crowds to form. Twenty persons living in a rooming

house next door were ordered out, but firemen got the flames under control before their building was damaged. Barrels of oil and alcohol added to the intensity of the blaze, although there were no explosions.

In one year, 3,000 members of West Virginia's Future Farmers of American chapters have invested \$34,000 in War Bonds.

MORE VICTORY GARDENS

WHITE PLAINS, N. Y.—(INS)—The Westchester County Victory Garden Council has announced a drive for 40,000 victory gardens next summer as compared to 38,870 in the county last year. The need for home-grown food will be greater than ever, the council said, advising increased crops of peas, cabbage, lima beans, carrots and onions.

FLIGHTS TO GUATEMALA

NEW YORK (INS)—The Pan American World Airways has announced that night flying between the United States and Guatemala, via Mexico City, will soon be started. Installation of night lighting equipment is underway. Brownsville, Texas, will be the focal point. Faster service to Panama will be one result.

Bigger Naval Offensives Are Probable Soon

By LEE VAN ATTA
(U. S. Staff Correspondent)

GEN. MACARTHUR'S HEADQUARTERS, Feb. 10.—Even bigger offensives than the one that crushed the Japs on Kwajalein Atoll, which employed the greatest naval armada known to history were hinted today by Undersecretary of the Navy James Forrestal.

Arriving at Gen. Douglas MacArthur's headquarters, where he praised the "hero of Bataan" for turning the Southwest Pacific from a defensive to an offensive theatre, Forrestal told a news conference of landing in the Marshalls during the second day of the Kwajalein operation.

Commenting on success of the invasion, Forrestal declared that it should not be regarded too optimistically.

"The extraordinary success of the Kwajalein operation," he said, "although significant, does not mean that the war will be over next week."

Just One Step
"This is just one step in exerting pressure from many points of the compass against Japan."

Asked whether the navy contemplates new moves in the near future, Forrestal replied that he is "constitutionally reticent about the future."

To the question of whether the American navy could mount a bigger offensive than that of the Marshalls, he replied:

"I think so."

The undersecretary arrived in Australia from the Marshalls, where he had been aboard one of the boats of the task force which blasted the enemy from its first pre-war territory.

While in the Southwest Pacific Forrestal is conferring with MacArthur and Vice Admiral Thomas Kinkaid, chief of Allied naval forces in the theatre.

Morale High
Turning to changes wrought in the last year and a half under MacArthur's command, the undersecretary said he found morale high. He said the same kind of planning responsible for success of the Marshall operations is evident.

"I was in the South Pacific 18 months ago, when the whole structure hung by threads."

"Now, thanks to General MacArthur and the magnificent work of the navy, the threads are steel wires and we have passed from the defensive to the offensive phase."

Accompanying Forrestal were Vice Admiral Ben Morrell, of the civil engineer corps, and Rear Admiral William Carter of the naval supply corps.

Rev. Munnerlyn To Occupy Pulpit Of Temple Israel

In the spirit of Race Relations Week, which occurs on the week of Abraham Lincoln's birthday, the Rev. U. S. Munnerlyn, of the Second Baptist church of New Castle, will deliver the message at the Sabbath evening service of Temple Israel Friday evening at 8 o'clock.

Rev. Munnerlyn is a graduate of the Virginia Theological Seminary and college. He is also the secretary of the Ministerial Union of Lawrence county.

Mr. Munnerlyn will speak on the theme of the week, namely "Race Relations."

PLAN RESURFACING OF MANY HIGHWAYS

HARRISBURG, Feb. 10.—(INS)—Secretary of Highways John U. Shroyer disclosed today that the state plans to purchase 22,993,000 gallons of bituminous materials for use in maintaining, resurfacing and treating 4310 miles of highway. He estimated the cost at \$4,135,000.

Shroyer said he had asked the department of property and supplies to advertise for bids on Feb. 11.

The highways secretary revealed that wartime government restrictions on the use of bituminous materials have been lifted. As a result, he said, the state hoped to get its program underway this year much earlier than in 1943, when it was delayed until August.

Tired Kidneys Often Bring Sleepless Nights

Doctors say your kidneys contain 15 miles of tiny tubes or filters which help to purify the blood and keep you healthy. When they get tired and don't work right in the daytime, many people have to get up nights. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder. Don't neglect this condition and lose valuable, restful sleep.

When disorder of kidney function permits poisonous matter to remain in your blood, it may also cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, swelling, puffiness under the eyes, headaches and dizziness.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Three Million Acres Of State Land Idle

HARRISBURG, Feb. 10.—(INS)—Three million acres of land were reported idle today in Pennsylvania by a state forestry official.

O. Ben Gipple, chief of the division of management of the department of forests and waters, warned that "this huge acreage of unproductive land is increasing county

tax sales to a degree which is alarming." The solution, he said, was reforestation.

"There are more than a million and a half acres of abandoned cleared farm lands that are in need of producing crops," he revealed. "Since they have been abandoned for the use of agricultural products they should be producing tree crops."

Some of the pre-historic Indian houses in Petrified Forest National Monument, Arizona, were built of petrified wood.

State To Start Distribution Of Teachers Funds

HARRISBURG, Feb. 10.—(INS)—Superintendent of Public Instruction Francis B. Haas disclosed today that the state will begin distributing the \$24,300,000 "cost-of-living" salary increase granted teach-

ers by the last legislation in latter part of April.

Simultaneously, the school of asserted that "the readjustment teachers' salaries will be one of problems confronting the next legislature." He pointed out that a member committee appointed Gov. Edward Martin to study school system was investigating present wage scales.

Adjustment of salaries for Pennsylvania's more than 61,000 teachers with a continuance of the "cost-of-living" increase in the per-

RENUZIT
WE RESERVE LIMIT QUANTITY TO SELL TO

BOND DOLLAR GOES TO WAR IN SEVEN DAYS

WASHINGTON, D. C., Feb. 10. Your money goes to war within a week when you buy War Bonds.

You purchase the War Bond from a regular issuing agent, who reports his sales and makes his deposits with his district Federal Reserve Bank at least once each week. The Federal Reserve Banks credit these sales each business day to the account of the Treasurer of the United States which is maintained with the Federal Reserve Bank.

These credits are reported each business day to the United States Treasury Department and the sales are distributed by the Treasury to the proper loan account. These funds are included in and shown as a part of the General Fund appearing in the Treasury daily statement.

War expenditures are segregated by the Treasury department in its daily statement but the money used for payment is withdrawn from the general fund.

Actually the dollars spent for war bonds rarely leave the district in which they are paid, as the physical removal of currency from any locality would unbalance the trade and commercial channels of the community. It is only the credit for the purchases that moves in banking channels the same as money moves in other financial transactions.

Issuing agents for war bonds, such as banks, building loan and savings associations, retail stores, radio stations, theaters, credit unions, employers under the payroll savings plan and post offices all are equipped to send your war bond dollars into fighting equipment with the least possible delay.

Urges Purchase Of Lower California By United States

WASHINGTON, Feb. 10.—(INS)—Rep. Henshaw (R., Calif.), introduced in the House Tuesday a joint resolution calling on the United States to institute negotiations with Mexico for the purchase of lower California.

The value of the peninsula to the United States would lie in a number of deep-water bays, one of which, Magdalena, might be useful as a fleet submarine and naval air patrol base, he said.

The peninsula is about 800 miles long with an average width of 50 miles, and Henshaw placed its population at about 95,000. The terrain is rugged and mountainous.

Henshaw said he was offering the joint resolution "on my own responsibility" and that "I do not know that our navy has recently expressed any interest in Magdalena bay, but everyone knows the concern that was felt at the time of Pearl Harbor."

The California congressman declared that "Jap naval reserve fishermen have frequented it for years."

THANKS GOD AND FLEET

LONDON.—(INS)—First Lord of the Admiralty, Lord V. Alexander, asking grace at a recent luncheon said: "For this food we thank God and the men of the fleet."

Honor Awards Are Made To Milkmen

NEW YORK, Feb. 10.—(INS)—The unsung milkman, who sometimes heroically risks his life to save others from death, came into his own today.

The milk industry foundation announced the awarding of gold, silver and bronze pasture medals to milkmen "for distinguished service in line of duty." The awards are made annually.

Roland Richard, Fargo, S. D., was awarded the silver pasture medal for rescuing a small boy from drowning.

Bronze medals were awarded to the following: Charles W. Nelson of Philadelphia, Nelson hit a thug over the head and saved a girl worker who was being held up at pistol point. Later, the milkman and the girl were married.

Adam J. Robertson, Philadelphia, who was seriously injured stopping his runaway horse as it charged in the path of children on their way to school.

Brotherhood Week Being Planned Here

Preliminary to the observation of National Brotherhood Week in New Castle, a meeting of a general committee consisting of Rev. S. F. Irvine, Rev. Fr. Francis C. Stroud, Rev. U. S. Munnekin and Rev. Leo E. Turitz will be held Monday night, February 14, in the Castleton hotel. Out of this committee meeting will come a larger committee and plans for a mass meeting to be held February 24.

Unity between peoples of all racial and religious backgrounds is back of the plan. This idea is paramount in the observation of National Brotherhood Week, which sprang from the National Conference of Christians and Jews some time ago. National unity is necessary even more so in times of war than in peace. To accomplish such a thing locally the meetings here will be held.

Yeomen From Here Cycle In Ireland

From Londonberry, Ireland, through the Red Cross, comes a report that Yeoman James W. Moxie of Wheeling, W. Va., is demonstrating "what's in a name" as one of the most ardent riders in the first full-blown cycling club in northern Ireland. Sailors usually love horses, but the Jack Tars in this area prefer mechanical steeds—bicycles. The American Red Cross Service Club in the Emerald Isle has garnered a supply of these "iron horses" for sailors on leave.

"Riding a bicycle is the best way to see the wonderful Irish countryside," said Jim Moxie, "and does it give you a big appetite for dinner at the Red Cross Club in the evening!"

Jim's friend, Yeoman Robert E. Shoaf of New Castle, Pa., is another cycling enthusiast.

PRE-INDUCTION EXAMINATIONS TO BE SPEEDED UP

HARRISBURG, Feb. 10.—(INS)—The eighth army induction stations in Pennsylvania were under orders today to accelerate pre-induction examinations until the end of March to create a large pool of physically-able registrants ready for training.

State selective service headquarters said army officials demanded examinations be "sharply increased" to permit induction stations to operate at maximum capacity. Plans were launched immediately to increase pre-induction calls.

Registrants summoned for examinations during the next six weeks will report at one of the stations located at Altoona, Allentown, Erie, Greensburg, Harrisburg, Philadelphia, Pittsburgh or Wilkes-Barre.

REV. J. CALVIN ROSE WILL BE SPEAKER

Thursday evening at the Y.M.C.A. members of the Senior Hi-Y and their friends will be addressed by Rev. J. Calvin Rose. Rev. Rose will speak on the problems facing youth of today.

Sale Of E Bonds Lags In District

PITTSBURGH, Feb. 10.—(INS)—The continued lag in the sale of series "E" bonds—the "peoples' bonds"—was blamed today for the 19-county Fort Pitt area's \$94,000,000 shortage in its \$325,497,000 quota assigned by the treasury department for the fourth war loan drive.

War finance committee officials reported that sales in "E" bonds have not come up to the \$3,200,000 daily quota for 10 days.

Recover Body Of Girl Swallowed Up When Mine Caves In

PITTSBURGH, Pa., (INS)—The coal mine cave-in which swallowed up two-year-old Julie Ann Fulmer in a residential section of Pittston Tuesday yielded her body today.

A big power shovel, working in the glare of floodlights, uncovered the little girl's arm and leg during the night and shortly afterward workmen entered the pit and recovered her body. Physicians said little Julie apparently died of suffocation.

The tragedy occurred while Julie was on a shopping trip with her aunt, Mrs. Marie Mitchell, and Julie's brother David, 5. The sidewalk opened up suddenly and the little girl vanished.

The cave-in was one of a number which have caused property damage over a period of years. There are many abandoned coal mines under the city.

HAS WHAT IT TAKES

WICONISCO, Pa.—(INS)—Henry Maurer, 97, Dauphin County's home surviving Civil War veteran, wishes he were young enough to fight in this war. He has several grandchildren in service.

Discovers He Was Seated On Jap Pillbox

CAPE GLOUCESTER, New Britain, Jan. 17.—(Delayed)—(INS)—There was a lull in the battle and Marine Platoon Sgt. Clark Kaltenbaugh, of Davidville, Pa., was surprised to find that for the past three hours he'd been sitting on a camouflaged enemy pillbox with live Japs in it.

He could hear them talking. It was downright embarrassing to think that he'd fought the whole battle sitting on top of the pillbox while three Japs lay doggo inside.

So he felt around in the high grass covering the battlefield until he found the hidden gun port of the pillbox and tossed in a grenade. A Jap fell on it, letting himself be blown to pieces.

The others were still jabbering. He tossed in another grenade. Then he peered in and sprayed the room with his carbine that ended the jabbering—and the Japs.

WASTE PAPER COLLECTION

HARRISBURG, Feb. 10.—(INS)—Local salvage committees were asked today to observe Washington's birthday on Feb. 22 by collecting waste paper.

"We are far from supplying sufficient paper to make possible capacity production of our mills," warned Colley S. Bazer, executive secretary of the state salvage committee.

Pennsylvania's quota for February is 50,000 tons.

College Girl Is Most Popular U. S. "Donut-er"

University Of Illinois Girl In New York For Valentine Celebration

By JEANETTE SMITS
U. S. Staff Correspondent

NEW YORK, Feb. 10.—(INS)—The nation's most popular donut-er—a slender, 19-year-old college girl from Illinois, with laughing hazel eyes and a pert, heart-shaped face—came to New York for a Valentine celebration.

She is Jacqueline ("Jackie") Tucker, who won her title in a nationwide contest conducted by the U. S. O. Salvation Army and Stage Door canteens to find the most popular canteen hostess "donut-er" in America.

Jackie, a sophomore at the University of Illinois, majoring in fine arts, gained more than 13,000 votes from servicemen at the USO club in Champaign, Ill., where she spends two or three evenings a week.

"The secret of my success as a hostess?" she said. "Why there isn't any—except just liking people. If they feel you're having a good time, they have a good time. You dance with them and talk to them, and look at their girls' pictures—that's all."

"I've had lots of proposals, of course, but I don't know how many—don't believe in keeping count. However, I'm not engaged to any one boy, not even in love with one. As the fellows in the air corps say about me, 'I don't solo.'"

The pretty young prize winner estimated that she had handed out probably 1,250,000 doughnuts during her year and a half as hostess at the Champaign club. Cigarettes and cake are next in popularity to the doughnuts, she says.

"When it comes to dates," she said regretfully, "you can't go out with both a soldier and sailor—at the same time. I tried it twice, and it just doesn't work out."

The pollock is a shapely fish with a deep, plump body tapering toward both nose and tail. The protruding lower jaw, forked, sharp-pointed tail, small ventral fins, and green color distinguish it from cod and haddock.

OCD NOTES

Activities Of OCD Workers Are Outlined Here

Inquiries have been received whether or not there will be a mobilization drill this month. This office has yet had any word from state headquarters regarding such and, unless word is received within the next few days it will be too late to plan a mobilization. Relative to air raid drills, they are apt to come without notification.

Fifth ward second precinct air raid wardens will have a special meeting Sunday evening, February 13, at 7:30 o'clock, in the office of Alderman Bassano, South Mill street. Certificates will be awarded to all wardens, firewards and messengers, who have 50 hours or over of O. C. D. work completed. Senior air raid warden, Anthony C. Ricciardi, announced all to be present who are to receive these certificates.

Forced To Sell Radio Station Asserts Noble

WASHINGTON, Feb. 10.—(INS)—The former owner of radio station WMCA, New York, told a committee Wednesday he agreed to sell his property to Edward J. Noble only after the latter warned that he would obtain the station "whether you want to sell it or not."

Donald Flamm, owner of WMCA until December, 1940, emphasized before the FCC investigating committee that it was Noble's next statement, however, which prompted him to agree to what he said was a "forced" sale.

The former assistant secretary of commerce was quoted by Flamm as warning:

"The next time we meet we'll be before the commission (Federal Communications Commission)."

It was the memory of those parting words which prompted him to call him back in an effort to get the deal reinstated," Flamm testified.

Flamm charged before the committee that he sold the station under "duress" after learning that Noble's representative planned to file an application for the WMCA wave length. Flamm said he was told the deal was "grazed from the White House down."

There are 70 canals and 400 bridges within the city limits of Amsterdam, Holland.

Blood Donors For Red Cross Listed At Chapter House

Nearly One-Third Of Appointments Already Scheduled For Unit's Stay

Work of scheduling appointments for the mobile unit of the Red Cross Blood Donor Service which will come to New Castle for a two-week stay on February 28 is underway at the local chapter house.

Already nearly 1000 appointments have been made from cards returned to the chapter house by registered donors. However the full two week schedule which must be completed before the arrival of the unit calls for 3000 appointments.

To date over 4200 cards have been sent out to volunteer donors on which they may indicate their preference for day and time of appointment and Mrs. Thomas Kelly, chairman of registrations, said today that it is important that these cards be returned before the end of the week.

Those who wish to volunteer as donors who are not already registered are asked to call the chapter house—5084—for an appointment.

From February 28 to March 11 the unit will be in New Castle. On March 13 it will go to Ellwood City for a five-day period. March 20 through March 22 it will be set up in New Wilmington, and March 23 through March 25, in Bessemer.

Fifth Anniversary For Ecclesian Club

Dinner-Program Scheduled On Thursday, February 17, 6:30 P. M., In Club Rooms

Members of the Ecclesian club, their wives and husbands, will gather on Thursday, February 17, to observe the club's fifth anniversary, the event to start with dinner at 6:30 o'clock.

Much progress has been noted during the five years of the club, its aim being to provide wholesome recreation and diversion for Catholics of New Castle. The organization started with a nucleus of 30 members, has reached the present enrollment of 309, of which it can be justly proud. The club is also to be commended upon its pretentious quarters on South Jefferson and South streets.

Following the full course dinner, a speakers program will be heard and entertainment is to be presented. Those included on the speakers program are Mayor John Haven, Bernard Hanlon, Emmanuel Sheehan, Rev. Fr. Francis C. Staff, spiritual director of the Women's Ecclesian club; Rev. Fr. John M. Unger, spiritual director of the Ecclesian club; Rev. Fr. Peter M. Schirra of St. Mary's church, Beaver Falls, and former spiritual advisor of the Ecclesian club; Rev. Fr. Edmund Rowan of the Church of the Nativity, Pittsburgh; J. A. Mittler, president of the Ecclesian club, and Mrs. Albert Laurel, president of the Women's Ecclesian club.

All Catholic priests have been invited to attend this event. Committees in charge of the anniversary are: speakers, J. A. Mittler, C. W. Brown, A. Venditto; dinner, Mrs. Mary Reider, Sam Ross; entertainment, Ray Wallace, Joe Factor and John Smatana; reception, Frank Haas, James Barlett, Mrs. Jane McAuley, Mrs. Dorothy Trusheri; decoration, Mrs. Mildred Nielsen, Cecilia Flynn, Mrs. Mary Clingan; tickets, Mrs. Albert Laurel, Ray McAuley, William Clingan and Michael King.

Alternate Public Members Named On Labor Board

WASHINGTON, Feb. 10.—(INS)—President Roosevelt appointed four alternate public members to the war labor board Wednesday and elevated Lloyd Garrison, dean of the Wisconsin law school, to a full membership on the board.

Garrison, the first alternate named to the WLB several weeks ago, moved into the vacancy created by the recent resignation of public member Wayne L. Morse, who is seeking the republican senatorial nomination in Oregon.

President Roosevelt previously made provision for appointment of alternate public members, just as in the case of industry and labor members, to help speed up the board's work and cut down the huge backlog of cases before it.

like muffins?
You'll love these tempting "Honey Muffins!"

All-Bran "Honey Muffins"
3 tablespoons shortening
1/2 cup honey
1 egg
1/2 cup butter-milk
1/2 teaspoon soda
1 cup Kelllogg's All-Bran
1 cup flour
1 teaspoon baking powder
1/2 teaspoon salt
Blend shortening and honey. Add egg and beat until creamy. Add milk and All-Bran; let soak until most of moisture is taken up. Sift most of ingredients together; add first mixture, stirring only. Pour batter into greased muffin pans. Bake in a medium-hot oven (400° F.) about 25 minutes.

Crisp! Delicious! Nutritious! Remember, Kelllogg's ALL-BRAN is a rich natural source of "protective" elements—protein, the B vitamins, phosphorus, calcium, iron. Make them with Kelllogg's ALL-BRAN

Redistribution After War Will Be No Solution

STATE COLLEGE, Feb. 10.—Post-war planners who are pinning their hopes for permanent peace on a geographical redistribution of Europe and Asia were termed unrealistic today by Mrs. Marion F. Murphy, research assistant in geography at the Pennsylvania State College.

"Even if the 'have not' nations were given an additional supply of minerals and other natural resources Mrs. Murphy said, values change so quickly that there would be unequal distribution in another 20 or 30 years.

"After World War I," she added, "the countries with large coal and iron supplies had the ruling power but now petroleum, aluminum, and other metals have gained new importance."

To keep the peace she thinks the United Nations—United States, England, Russia and China—should retain their pre-war holdings and watch carefully the nations like Germany and Japan that are forever dreaming of expansion.

She chided those people who attribute the present conflagration to Germany and Japan's lack of natural resources. "Both countries have had enough resources to wage destructive war," she said.

The geography specialist listed the settlement of international boundary lines as one of post-war's most critical problems. This job, she feels, must be done on the spot and not by "a group of well-intentioned men sitting at a distance with a map before them."

How to RUIN DRESSES AND LOSE FRIENDS

1. It's tragic how some girls lose their friends and ruin their dresses because of perspiration odor and stains. And there's no excuse for it! It's easy to save dresses, it's easy to save friends.
2. Use Arid, the new cream deodorant that helps keep your armpits dry and removes the odor from perspiration. Arid is safe and dependable for these 5 reasons:
3. Does not irritate skin. Does not rot dresses or men's shirts.
4. Prevents under-arm odor. Helps stop perspiration safely.
5. A pure white, antiseptic, stainless cream.
6. No waiting to dry. Can be used right after shaving.
7. Awarded Approval Seal of American Institute of Laundering—harmless to fabric. Use Arid regularly.
8. Arid is the largest selling deodorant. Sold at all stores selling toilet goods—10c, 30c and 50c a jar.

Want an advance on your salary?

If you find yourself caught short between pay days and don't want to borrow from your friends or employer, a loan from "Personal" may be the answer.

PROMPT SERVICE
Everything is handled in a business-like yet friendly way, and co-signers are seldom required. If you need extra cash, come in or phone us today. Loans also made by mail.

PROVIDES NEEDED CASH
While unnecessary borrowing is never wise, a "Personal" loan that provides immediate cash without bothering others is often the best solution to a money problem. Monthly repayments are sensible and you pay only for the actual time you keep the money. Loans for small amounts are ready made. For example, \$30 for 2 weeks costs you less than 50c. Other amounts in proportion.

FIGHT INFANTILE PARALYSIS—JANUARY 14-17

Mid-Winter Sports Program Now In Full Swing

New Castle Plays Away On Friday

'Canes Attempt To Even Score With Lanky Beaver Falls Quint

Victory, which has eluded New Castle high's cagers since January 21, again seems to be out of reach Friday night.

The red and black clad field goal ambassadors are slated for a little road action, battling the skyscraping Beaver Falls Tigers in a Section 3 engagement.

Coach Phil Bridenbaugh's proteges were idle last Tuesday and will dribble onto the valley court well-rested and endeavor to avenge a 39-35 setback administered here a few weeks ago.

New Castle had the Tigers tamed as the battle dashed into the first end but the Canes became erratic and lost an excellent chance to trim the Tigers.

Falls Needs Win

In the sectional race, New Castle was eliminated long ago but the Tigers are far from counted out. The Tigers currently share second place with Ambridge with four wins and a pair of losses and could gain a tie for the top berth by winning while the Alleghenians lose to a tough New Brighton quint.

After tomorrow's setto, the 'Canes return to George Washington junior high Tuesday night to entertain Ambridge.

While New Castle and Beaver Falls clash, Ellwood City takes on powerful Ambridge on the Bridges' floor. The Wolverines try to gain even for a 39-38 extra period loss to Ambridge earlier this season.

New Brighton plays at Alleghenians to round out the Section 3 card.

Army Defeats Pitt; W-J And Geneva Win

Wash-Jeff Smothers Carnegie Tech, Army Too Much For Pitt

University of Pittsburgh's basketball team was ground fine in the well oiled basketball machine of the Army Wednesday night, losing by a 66-32 score at West Point. Hall, Pass and Kenna of the Army were on the beam and Pitt was entirely outclassed.

Carnegie Tech looked good for the first five minutes against Washington and Jefferson at Pittsburgh but after that the Tartans were out of their depth. Wash-Jeff won by the lopsided score of 61-31 which gives you a rough idea.

Davis in Mountaintop, W. Va., Geneva college took a fast tough game from West Virginia by the hair line margin of 51-48. From whistle to whistle it was anybody's game with the Covenanters coming through with a hurricane finish to nose out the Mountaineers.

Wampum Can Deadlock Bessemer For '21' Lead By Winning Friday Night

Indians Entertain Shenango Township; Bessemer To Play Non-Loop Fray

By late Friday night, Bessemer and Wampum high probably will be deadlocked for the Section 21 leadership.

At present, Bessemer holds undisputed possession of the top branch by a half game but tomorrow's schedule is arranged so that the Indians can weed out the slim deficit while the Cementers can bolster their season record but not their league standing.

Bessemer goes into action for the 19th time, crossing the Ohio line for a shindig with North Lima, a team the locals subdued by a 36-30 count in the tee-off scrap. The Cementers bid for their 12th victory.

Shenango at Wampum

On Wampum floor, Wampum's high-tiding Indians bid for one of their most important triumphs when they face Shenango township. As mentioned two paragraphs ago, the Indians win a tie for the top berth by vanquishing the east New Castle contingent.

Already boasting of a 27-22 conquest of Shenango and currently playing championship ball, Wampum is rated a big edge. The Wildcats lost considerable prestige on Tuesday night when they were knocked off by oft beaten New Wilmington. Wampum, incidentally, seeks its sixth consecutive win and its 14th "V" of the year.

Mt. Jackson high, now nestled in the third place by virtue of Shenango's unexpected loss, should fortify its position by dunking Union Township on the Jack hardwood. The Jacks tossed the Scott-Laners, 29-18, several weeks ago and should repeat. Union has dropped its last three hoop battles and hopes to smash the jinx.

Coach "Tim" Hutchinson's steadily improving New Wilmington Greyhounds triumphed over Union and Shenango in their last frays, hope to stretch the skein when they tangle with East Brook on Community House floor. The Brookers have yet to stop a "21" nod and hardly rate the call tomorrow night.

League Tidbits

The league championship problem won't be decided until the night of February 18 when Wampum and Bessemer collide on Wampum floor. If the neighboring rivals continue their present gait, which they should, the coming date appears to be the title affair.

Section 21 is strictly a zone defense circuit. Every team in the loop employs the system made famous by Coach John Lawther of Penn State. Maybe that's one of the reasons the derby is a nip and tuck affair yearly.

In Forward Korab, Union Township can boast of one of the better dribblers in the loop. The athlete has been in everyone's hair since the opening of the campaign. Against Wampum, he tossed 24 markers.

The loop closes on February 22 with New Wilmington appearing at Wampum; Union at East Brook and Mt. Jackson at Bessemer.

Dave Albritton May Be In Competition

BOSTON, Feb. 10.—(INS)—Track fans may rub their eyes Saturday night at the B.A.A. games when they see Dave Albritton, of Dayton, O., in competition again.

Meet officials announced today that they had received the entry of the former national high jumping champion who competed in the Berlin Olympics in 1936.

Although he has been out of competition for three seasons, the tall, barrel-rolling Negro veteran has been turning in practice leaps of 6 feet, 6 inches at Dayton, where he has been training.

Local Fighter Home On Leave

Sgt. Godfrey Cernyar Has Had Interesting Experiences In South Africa

Sgt. Godfrey Cernyar, son of Mrs. Florence Cernyar of Atlantic avenue, is home on a brief leave from the army air force convalescent center at Mitchell Field, Long Island, where he was recently sent from the U. S. army hospital at Staunton, Va.

Sgt. Cernyar, who did a little fighting in the local district under the name of Jeffrey Dime, and who absorbed some valuable information about the fight game from the late Jimmy Dime and George Chip, credits this training to his ability to carry on in Africa, when he had been stricken with malaria. In fact he suffered five attacks from the disease, and was finally forced to give up and come home for a rest, the ravages of the disease having exhausted him.

Entering the army before Pearl Harbor in the hope of picking up a little more experience and wisdom about the fight game, he was sent to South Africa soon afterwards. He has been overseas 17 months. He helped the South Africans get acquainted with American planes, and also served as an instructor in boxing at a technical college in South Africa, which included pupils from 10 to 25 years of age. In token of the service he rendered the South African air force, he received the South African air corps wings, which however, are not a legal decoration for an American to wear.

Council Also To Purchase Rabbits

Sportsmen's Council Plans To Buy Missouri Rabbits, Report States

Sportsmen's Council of Lawrence county at a recent meeting in the Y.M.C.A. voted to purchase a supply of Missouri rabbits to help relieve the rabbit shortage in Lawrence county. The purchase by this organization will be in addition to the 100 which will be bought by the Lawrence County Sportsmen's association which is a member of the council.

This is the first time the county sportsmen have been compelled to do such a thing for propagation and the council is not so happy about it inasmuch as the hunting license holder finds it necessary to delve into his pocket to stock hunting grounds. The hunters of this county contribute more than \$15,000 each year to the game fund, according to President H. S. Parker.

In refutation that more fish were stocked in the southern waters of the Slippery Rock last year, Fish Warden White reported 1,700 bass in the Connoqueussing for a six miles stretch and 5,900 in the Slippery Rock creek for a 15 miles stretch. White said that in his opinion the Wurttemberg district was more adapted to trout than bass.

Approval has greeted the announcement that the Slippery Rock is to be stocked with trout. They will be placed in the creek near creeks where trout during hot sieges can work their way into the cooler creeks. Following Fish Warden's explanation to sportsmen at the recent meeting of the Sportsmen's association, Commissioner French's plans were approved.

Game commissioners' ears burned if they heard some of the hunter's criticism their non-purchase of western cotton-tails for Lawrence and other counties. The commissioner Bob Lambertson recently said this was due to war, shipping facilities and rabbit fever. The association purports to have letters stating healthy rabbits could be bought. One hundred will be bought for propagation.

The trapping scheme of the commission was not favored to produce results. Karl Rohrer took the position stocking of rabbits should occur because the boys overseas (Continued On Next Page)

Morton Cooper Is After Pay Boost

ST. LOUIS, Feb. 10.—(INS)—Pitcher Morton Cooper of the St. Louis Cardinals was seeking a pay increase today as he withheld the contract offered him for 1944.

Cooper, rejected for military service last fall and reclassified I-F, set \$17,500 as the approximate figure he should be paid this season, and pitched the Cardinals' only victory in the 1943 world series.

DEER HUNTERS WARNED
HARRISBURG, Feb. 10.—(INS)—Deer hunters were cautioned today by the State Game Commission that permits must be obtained for venison retained after February 15.

They may be secured for one dollar from any of the commission's seven district offices or from headquarters.

Southern League May Open Season With Night Games

MEMPHIS, Tenn., Feb. 10.—(INS)—The Southern Association may launch its 1944 baseball season April 28 with four night tilts, President Billy Evans said today.

Evans stated he believed night openers would increase attendance "by 40 per cent."

Tippy Larkin Defeats Lulu

Captures Eight Of Ten Rounds In Fight With Costantino At New York City

NEW YORK, Feb. 10.—(INS)—Tippy Larkin, of New Jersey, has a new lease on life today after earning a unanimous decision over Lulu Costantino, of New York, in ten rounds at Madison Square Garden. Larkin, who has stepped into the ranks of foremost lightweight on three different occasions, being belted out of the picture every time, now has the privilege of starting all over again.

Tippy went into his fight with Lulu as a 2 to 1 favorite on the basis of two previous fights—(1) His draw with Bobby Ruffin, of New York, a month ago and (2) Lulu's unimpressive showing against Beau Jack, of Augusta, Ga., in the contest previous to that.

The New Jersey belter then upheld the confidence placed in him by punching Lulu around for the last eight rounds, and was rewarded for his good showing by being given the first unanimous decision seen at the Garden in two months.

Tippy enjoyed a weight advantage of four pounds, scaling 139½, to Lulu's 135½. In order to come in with this extra poundage, Tippy was forced to forfeit a \$1,000 bond posted to assure his entering the fight at 137 pounds.

Although Tippy made use of his extra weight, he really didn't need it. Lulu was not only outpunched through most of the fight, but outwitted.

POLO GROUNDS NIGHT

GAMES SCHEDULED

NEW YORK, Feb. 10.—(INS)—The New York Giants today announced a series of 14 night games at the Polo Grounds. The dates and the visiting teams follow:

May 24, Cincinnati; May 29, St. Louis; June 1, Chicago; June 7, Boston; June 12, Philadelphia; June 14, Brooklyn; July 18, Pittsburgh; July 21, St. Louis; July 24, Chicago; July 27, Pittsburgh; July 31, Cincinnati; Aug. 4, Chicago; Aug. 25, Brooklyn; Sept. 7, Boston.

SPORTS RAMBLINGS

Stitching together a few bits:—

Max Hannum, coach of the winless Carnegie Tech Tartans, has plenty of troubles, poor fellow: so does Grover C. Wassnabaugh, up at Westminster college. As I was hunting and pecking this drivel, the Tartans still were trying to hang up their first victory of the season. The Tartans are nearly like the Teachers in one respect—they don't seem to be able to triumph when they occupy the role of visiting team. So far, they've finished on top in all of their home frays. On the road however, they have bagged two out of seven, the victims being Pitt and Tech. Considering the cage status of the Pittsburgh schools, we might just as well disregard 'em as victories.

Anyhow, the situation has Coach Wassnabaugh scratching the thin locks above his temple. "If we could only bat decently away from home, we'd have a marvelous record. I can't find the gremkin or whatever you care to call that which causes my boys to get the worst of it on the road," the tutor said in a non-too-obsequious manner. He asked me if I could suggest a panacea. I recommended cancellation of all games away from home.

Westminster's players, coaches and this pencil pusher never will forget Mr. and Mrs. Frederick Paine, 4317 Wells street, Holiday's Cove, West Virginia. The Paines, whose son, Fred, plays a mighty smooth game of basketball for Westminster, invited the party of 15 to their home following the Betnany contest. The West Virginians served a complete spaghetti dinner that would have made Neapolitans marvel. "Doc" Jorgensen, Pittsburgh Photo trainer and father of Noble, Titan ace, spun a number of after dinner major league yarns that put the clincher to an already top priority affair.

Headline in Philly sheet:—"Minor Leagues Add 500 Players". Where'd they get 'em? . . . The Phillies still seek an emblem. Why not a carp? . . . Remember when Pitt university was almost invincible in football and schedule making was a tough proposition for the Panthers? . . . Pittsburgh has 40 players on the roster, the Pies announced today. Well they'll be able to field a team, anyway. . . . Oklahoma A. & M. tub thumpers report that Bob Kurland, the 17-year-old seven foot basketball star, is still growing! . . .

Five Soldiers Order 1944 Series Tickets!

CHICAGO, Feb. 10.—(INS)—Five U. S. Army staff sergeants whose "sixth sense" tells them the war (presumably the European phase) will be over by this fall, today were invited to be Baseball Commissioner Kene-saw M. Landis' guests at the 1944 world series.

The baseball-minded soldiers, all of Company A, 146th Engineers, stationed at an undisclosed rear front, wrote Landis: "This may seem a bit hasty and out of the ordinary, making such a request, but we would like five tickets for the 1944 world series, no matter where play'd."

Our sixth sense tells us conscientiously that we will be able to attend same. And we would like very much to have the honor to be the first holders of tickets for the 1944 world series games."

The letter was signed by Staff Sgts. Rodney N. Lewis, Philip Caudill, James C. Putman, Earl G. McMillen and Steve J. Nester.

Baseball's commissioner replied:

"I consider myself lucky to be dealing with five army sergeants at a distance of whatever thousands of miles it is, rather than to be a member of a company and have five sergeants on my back."

"More power to your sixth sense. You have a date with me at the 1944 world series. Contact w/ me in time We will see the ball games together."

Bill Dickey Is Standout

Most Important Player On Yank Roster For Many Years

By LAWTON CARVER
(International News Service Sports Editor)
NEW YORK, Feb. 10.—Bill Dickey has been for 16 years, day in and day out, the most important player on the New York Yankee roster and now, at the age of 36, his place as the standout man on the squad is even more apparent. Without the big catcher the club would be a bit companion for the unfortunates of the second division. He is the man who ties the players together, and who gets all the pitching possibilities of the aged wings of the old-timers and the supply of the rookies. All the Yankees look to him as a sort of patriarch who will share their burdens and help them over the pumps.

Having signed his contract for 1944 at the same figure he received last season—a reported \$20,000—he gives the club a touch of class that could mean the difference between retaining the world championship and blowing it all.

I don't know how great a catcher he is because I never saw Kling and Brenahan and some of those others who were supposed to have cut the pattern for backstopping excellence. I do know he is no worse than one-two with Mickey Cochrane, who in my book shares honors with Dickey as the modern day peer of them all. You can name any one of a half dozen for third place behind these two, but none 'ho is better.

Cochrane was a whale of a man with the Athletics and the Tigers. One of the toughest competitors that ever laced on the catcher's armband, a good hitter and, according to the expert opinion of the pitchers themselves, a standout handler of the throwers.

That covers Dickey, too, the best in the game today as he has been for several years since Cochrane. Their batting average through the years were within a few points of each other, around .320 but Dickey had the advantage of being a tremendous slugger, one of the standouts in this department on a team noted for its power.

Aside from everything else, the long-legged guy who looks like he is walking on stilts is a gentleman with a million friends in any out of baseball a quiet earnest fellow who is both liked and respected as a guy and a ball player.

Tilden, Former Net Star, Is 51

By DAVIS J. WALSH
(International News Service Sports Writer)
CHICAGO, Feb. 10.—(INS)—William T. Tilden, 2nd, today passed his 51st birthday in and around Hollywood.

port of last call for so many whose lives have come to what seems to be the end of the line. He is also the man whose name is easily the greatest in all the history of tennis, though personally we think Don Budge (at equal ages) could and would have beaten him.

Be that as it might, Tilden today still compels attention, if only as a character study, managing to be just a little gallant and pathetic in equal portions.

He still plays some tournament tennis, because it's the only thing left to him. That, and a flair for contract bridge. And a sort of jobber's end of the eminence that once was his. A scion of one of those old Philadelphia families, his father was former president of the United League and so Bill at one time had not only position, but money and prestige as well.

Bronze Workers Again Victors

Take Second In Row In Second Half Race At Y. M. C. A. Last Night

ST. LUCY AND BAPTISTS WIN

Johnson Bronze continued its part in the second half race of the Y.M.C.A. floor, winning its second in a row last night by dumping the Universal Sanitary Pottery by a score of 35-14.

Miscmarro led the scoring, dropping in seven rods from the field, while Dunlap for the losers was only one point behind with six from the field and one from the free line.

St. Lucy's continued their bid for top honors by defeating St. George, 26-19, with Rizzo and De Prospero leading in the scoring for the winners. St. George's was the big nose for St. George with 13 points.

Tonight, Cubs and Pirates play in the House League, starting at 7 o'clock; while Friday night National Radiator meets United Engineering and Shenango Pottery will tangle with Alcoa in the Industrial circuit while Epworth meets Central

O.P.A. Will Fix Ceiling Prices On Used Autos Soon

WASHINGTON, Feb. 10.—(INS)—The Office of Price Administration today reported ready today to set ceiling prices on used automobiles within "the next 30 to 60 days."

Spokesmen for the agency disclosed the long-awaited used car maximums probably will be established at the level of average prices for the cars in January. Two of three sets of prices will be announced, they said, to take care of the traditional difference in second-hand car prices in various sections of the country.

Under the proposed regulation, dealers will be permitted to charge January, 1944, prices for second-hand cars provided the cars are reconditioned and properly guaranteed. Prices will be 20 per cent less for "as is," non-reconditioned used machines.

The new regulation also will provide for gradually decreased prices as used cars grow older. One possibility is that a schedule of costs will be issued every six months.

O.P.A. officials said attempts to roll back the prices of used cars to 1942 levels as being for in a proposed regulation last summer—have been abandoned because of dealer opposition and because such a sharp reduction in prices would create a grave enforcement problem.

Regulation of inflated used car prices has been demanded with increasing vigor by consumer labor and other groups. Complaints received by O.P.A. headquarters said that in many cases used automobiles have been selling for more than they cost when new.

HERE AND THERE IN SPORTS LAND

(Continued From Preceding Page)

would want to hunt when they return and would feel let down if there was no game here. He was the sportsman who presented the motion to use the association money to buy rabbits to replace it later.

The association plans a campaign to procure a membership of 2,000. A surprising part of the Tuesday meeting was the presence of so many youngsters. . . . Give a youngster a rod and line or a gun and let him become acquainted with nature and he has been started on the right road.

Talking of things fistic there apparently has been a rise in pugilistic fever because various persons who heretofore have not been dyed-in-the-wool fans are arranging to see the eight-bout punch drama at the Arena, February 23 night. There are some old faces plus some new ones. All are likely to be battered when the bell rings. The Jefferson A.C. is promoting the show.

George Chip, former middleweight champion, was in Sully's shop a few days ago. There, too, were some fans fully acquainted with his ring days. The name of Stanley Ketchell bobbed up. "Billy Gibson said Ketchell was made to order for you," said "Toughie" Lane. Chip smiled, then replied: "I got another compliment like that one. Spider Kelly also told me I could beat Ketchell."

According to those versed with Chip's ring days he fought best when opposed to someone who would stand up and fight him. No doubt the Michigan Assassin who as a middleweight knocked down Jack Johnson only to be flattened later, would have tossed the scratch with George. That would have been a light weight traveling to see. However, one can only nowadays talk of "what might have happened" nowadays.

We've just received a bulletin from the Bowler Victory Legion, Milwaukee. It reports that the legion's collections as of February 1 reached the amazing total of \$118,000 of which Youngstown bowlers turned in a check of \$1,860. . . . New Castle, Ind., turned in \$45. Up to January 29, Milwaukee collected \$10,051, a high mark.

Fred Turner, San Marino, Calif., will ballyhoo Arlington Park and Washington Park Jockey clubs in Chicago. . . . Dick Ives, Iowa's 17-year-old Freshman forward has scored 134 points in seven floor games. . . . Baseball season isn't far off. You Novikoff, much publicized hold-out last year, has signed with the Cubs. The outfielder hit a 280 pace in 78 games last year.

War Prisoners Given Farm Work In Pennsylvania

BRIDGETON, N. J., Feb. 10.—(INS)—The first German war prisoners assigned to farm labor in the eastern Pennsylvania-New Jersey area are now at work at Seabrook Farms, near Bridgeton, it was learned today.

The group consists of about 150 enlisted men, with four non-commissioned officers acting as foremen. Jack Seabrook, vice-president of the farms, said the men are paid the union scale of 50 cents an hour. Of this, however, they receive 80 cents a day, in accordance with the Geneva conference terms. The balance of their wages is applied to the cost of maintaining other prisoners in the country.

"This is no price-cutting, cheap-wage proposition," Seabrook declared. "International agreement requires that we pay prevailing wages. They are not in competition with American labor. These men were not put here until the war manpower commission had exhausted its own effort to supply labor."

The 150 prisoners are taken to and from the farm, one of the largest in the east, under heavy guard each day.

Scarce Serum May Save Girl

PHILADELPHIA, Feb. 10.—(INS)—Physicians today had found a minute quantity of scarce serum which may save the life of 13-month-old Anna Bradley, of Philadelphia.

But it will be available to the little girl who is suffering from pneumococcal influenza meningitis, only if another child recovers. Fifty milligrams of the serum were flown to Philadelphia from Pitts-Burgh a few days ago to aid Bobby Bessey, 15-month-old of suburban Lansdowne. Half of it has already been administered to Bobby, who has the same disease as Anna.

If he continues to show improvement, the remaining 25 milligrams will be given to Anna. Physicians who had searched for days to find some of the serum, said most of the supply has gone to the armed forces.

GETS TRIPLE OFF FELLER SOMEWHERE IN THE SOUTH

PACIFIC, Feb. 10.—(INS)—When the war is over and Pennsylvania's Major J. C. George S. Marks, Jr., gets home to Tchula, Miss., he has one to tell his old sandlot baseball teammates.

In an exhibition game Marks, playing with the Marine Corps island-wide champions, slammed a triple off Chief Petty Officer Robert Feller, the Cleveland Indians' exciting ace.

BARNEY ROSS NAMED

CHICAGO, Feb. 10.—(INS)—Barney Ross, sergeant in the Marines and one of the heroes of Guadalcanal, was boomed today by Chicago Democrats for the congressional-at-large nomination in the April 11 primaries.

Ross, former lightweight and welterweight boxing champion, has been on a lecture tour in the United States in connection with war activities.

Auto Holiday Is Two Years Old

DETROIT, Feb. 10.—Recalling that the last passenger automobile for civilian use rolled off the assembly line two years ago today, the automotive council for war production today reported that since Feb. 10, 1942, more than \$14,200,000,000 worth of raw materials has been delivered to the armed forces from the former motorcar plants.

"Since that historic day," said the council statement, "the automotive industry has boosted its annual rate of war goods output from \$2,300,000,000 in 1942 to a rate in excess of \$10,500,000,000 today."

The council listed among deliveries over the two-year period: Aircraft fighters, bombers, engines and parts, \$5,030,000,000; military vehicles and parts, \$4,200,000,000; trucks and parts, \$1,000,000,000; guns and parts, \$1,150,000,000; marine equipment, \$1,020,000,000; ammunition, \$500,000,000, and a variety of other products placed at \$400,000,000.

"N. B." is the abbreviation for the Latin phrase, nota bene, which means "note well; take notice."

Rails And Selected Industrials
Show Fractional Gains
In Morning

NEW YORK, Feb. 10.—(INS)—Rails and selected industrials managed to gain large fractions in the stock market this morning, but buying was selective and the main body of the list moved in a mixed and narrow range.

Trading was quiet, with sales holding around yesterday's 625,795 shares.

Southern Pacific was the feature of the carriers, rising fractionally in unusually heavy turnover. Atchafalaya, Northern Pacific and Union Pacific also were higher but dealings in these issues were not active.

Chemicals and motors were among the higher industrial groups. With Du Pont, a large stockholder in General Motors, rising more than a point on the latter's increased dividend. Utilities were firm under leadership of engineers Public Service.

Easing slightly were the communications and copper. Steel, oil and aviation, while specialties were under slight pressure.

Bonds were selectively higher in moderately active trading.

Farm Program Is
Given By Willkie

Eight Points Are Presented By
Aspirant For Presidential
Nomination

WASHINGTON, Feb. 10.—(INS)—Wendell Willkie, campaigning for the Republican presidential nomination, sought today to win farmers with a proposed post-war agricultural program under which they would be permitted to "produce to the limit."

Willkie, in his first pronouncement on a farm program in his campaign, advocated the removal of government production controls, expansion of production of farm produce, and a system of support prices and basic commodities under which farmers would receive a "fair" return for their products.

In an article written for the current issue of the "Successful Farmer" magazine, Willkie listed the following eight points as being his farm program:

1. "Correct the glaring administrative weaknesses in the war effort on the home front."

2. "Then turn toward a program based on expanded markets."

3. Drop production controls and produce "to the limit."

4. Develop a sound national conservation program.

5. Support farm prices at a fair level and maintain basic-commodity loans.

6. Develop the distribution of nutritious foods on the widest basis possible.

7. Pursue every scientific possibility to expand the farmers market.

8. Cooperate with the world to make a prosperous agriculture at home.

No Reduction
In Gas Rations
During Quarter

WASHINGTON, Feb. 10.—(INS)—East coast motorists were assured today by Deputy Petroleum Administrator Ralph K. Davies that there will be no reduction in gasoline rations during the present quarter of the year.

Davies likewise assured that fuel oil rations would not be cut during the period.

With New Castle
Afro-Americans

St. Paul's Baptist church will have a business meeting Friday evening at 8 o'clock.

The Monday Prayer Band met recently in the home of Mrs. Catherine F. Wright.

Following the meeting, the president, Mrs. Amanda L. Wright, was given a surprise birthday party. She received a purse of money, cards and other gifts.

Refreshments were served by the hostess, assisted by her daughter, Mrs. Eva Levisy, daughter of Mrs. T. S. Levisy.

In the evening members of the Church of God in Christ also surprised her in the home of Elsie and Mrs. Shepherd Threats.

Mrs. L. Wright also received many useful gifts. Refreshments were served by the hostess, aided by Miss Louise L. Wright.

The Sunshine Kensington club met recently at the Y.W.C.A. Center on Elm street, with Mrs. Alice Taylor as hostess.

Mrs. Mable Taylor, president, presided. Mrs. Taylor gave an interesting talk. Special guests were Mesdames Phoebe Jones, Carrie Ferguson, Mary Clark, Mary Allen, Blanche Dillard, Mable Slaughter, Julia Wilson, Hazel Brown, Mary Mann, Sarah Young and Miss Olga Wilson.

The hostess, Mrs. Mable Taylor, presided. The club will meet in two weeks with Mrs. Alice Shelton of Green street.

In the home of Mrs. Fannie McDaniels of 401 Mahoning avenue, the F.H.C. club will meet this evening at 8 o'clock.

PRODUCE

PITTSBURGH, Feb. 10.—(INS)—Butter and poultry quotations temporarily discontinued.

Army-Navy Tests For V-12 To Be Given At Senior High School

Test For Students 17-21 Or Graduates Will Be Given March 15 At 9 A. M.

The third Army-Navy College Qualifying Test for the Army Specialized Training Program and the Navy College Program V-12 which will be given throughout the country on Wednesday, March 15, at 9:00 a. m., will be administered at the New Castle Senior High School, C. B. Book, principal of the high school, announced today.

A leaflet of general information which contains an admission-identification form may be obtained at High school office. This form properly filled out will admit to the test students between the ages of 17 and 21 inclusive who are high school graduates or who will be graduated by July 1, 1944.

The same examination will be taken by both Army and Navy candidates. The examination is designed to test the aptitude and general knowledge required for the program of college training and all qualified students are urged to take the test. At the time of the test each candidate will be given a choice of service preference, but taking the test does not obligate the candidate to enlist in the service.

FOUR INQUESTS

SET IN MERCER

MERCER, Feb. 10.—Dates for inquests into the deaths of four persons on Mercer county highways were set today by Attorney George Maphaney, deputy Mercer county coroner.

At 2 p. m. Friday, a hearing will be held in the Sharon city building on the death last Saturday of William Williamson, R. D. 6, Mercer, and Edward Holmes, R. D. 2, Volant, fatally injured in a traffic mishap near Bobbys Corners.

Two hearings will be held at the court house at Mercer on February 12, at 1:30 p. m. a coroner's jury will hear testimony on the death of Frank Kingensmith, 2, D. 7, Mercer, who was killed December 24 in a collision on the Bar Bend road. At 3:30 p. m., a hearing is scheduled to hear testimony into the death of Eula Jean Thompson, R. D. 4, Mercer, who was killed by a truck near Fairview school.

Jesus On The Mountain

Highlights On The Sunday School Lesson

The Golden Text

The transfiguration.

"I believe; help thou mine unbelief."—Mark 9:24.

By NEWMAN CAMPRELL

(The International Uniform Lesson on the above topic for Feb. 13 is Mark 9:24-29, The Golden Text being Mark 9:24, "I believe; help Thou my unbelief.")

The events contained in today's lesson took place in the autumn of A. D. 29. Jesus and His disciples were in the north of Palestine, near Mt. Hermon, a towering peak 10,000 feet high, and visible from every part of Palestine.

Jesus took the three apostles, dearest to or most intimate with Him, Peter, James and John, and went up into the mountain, where "He was transfigured before them." His "raiment became shining, exceeding white as snow; so as no fuller on earth could whiten them."

With Jesus appeared Moses, the great leader of the Jewish people, and Elijah, the prophet, linking the old with new leadership. The disciples were frightened with this vision, and Peter, who was the speaker of the group, but not always wise in his speech, babbled, "Master, it is good for us to be here; and let us make three tabernacles; one for Thee, and one for Moses, and one for Elijah."

Voice Comes From Cloud

A cloud then overshadowed them, and a voice came out of the cloud, saying, "This is My beloved Son; hear Him."

Suddenly they found Moses and Elijah had vanished and they were alone with the Master. As they came down from the mountain Jesus told them not to tell anyone of what they had seen till "the Son of Man were risen from the dead." This saying puzzled the disciples, and they talked with one another, wondering what the Lord meant. They also asked Jesus what was meant by the saying that Elijah would come first, and He explained that Elijah had come—meaning that John the Baptist had prepared for His—the Lord's—coming.

As they came to level ground on the south of the mountain, they saw a great multitude of people, and scribes were questioning them. The people ran toward Jesus and saluted Him, and one among them brought his son, a boy who from childhood had been afflicted with

an evil spirit—one who was deaf and dumb, out which tore and wrenched at the poor child, throwing him on the ground where he wallowed foaming.

Sometimes this evil spirit had made the boy throw himself into fire and sometimes into water to destroy him. The father asked Jesus to do something for them if He could.

"If thou believe, all things are possible to him that believeth," Jesus said, and the poor father answered, with tears, "Lord, I believe; help Thou mine unbelief."

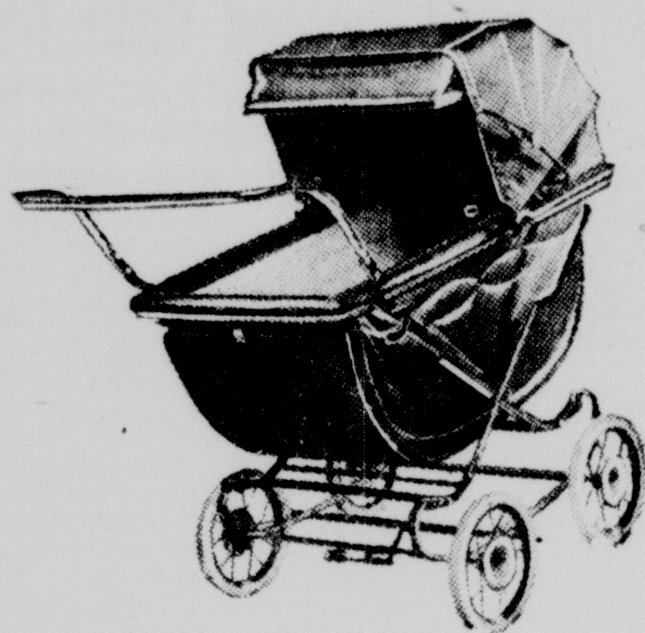

Boy Appears Dead

Jesus ordered the spirit to come out of the boy, which it did, but the boy lay on the ground as if dead, and the crowd really thought he was dead. Jesus, however, in His tender, compassionate way, took the boy's hand and lifted him up; "and he arose." He was completely healed.

The disciples had tried to cast out the evil spirit from the boy, but couldn't, and they wondered why that was. They talked about it among themselves and finally asked Jesus why it was that they couldn't exercise this evil spirit, as they had done such things before. Jesus answered: "This kind cometh forth by nothing but by prayer and fasting," implying that they had not the time or requisite faith to perform this miracle of healing.

When the boy's father had said that he had asked the disciples to cast out the demon and they had failed, Jesus had exclaimed, "O faithless generation, how long shall I be with you? how long shall I bear with you?" His time was growing short, as He implied in referring to His coming death and resurrection, when talking to the disciples, when they came down from the mountain. It was necessary, then, that they should be prepared to carry on His work, and it grieved Him that even then they had not the necessary faith to carry on. Each one needed to pray as had the father of the afflicted boy, "I believe; help Thou mine unbelief."

It is said that at least 20, and some say 20 to 40 leaves are necessary to produce a good apple.

Kiwanians Hear Lincoln Address

Beaver Falls Pastor Delivers Splendid Talk On Martyred President

New Castle Kiwanis club members heard a splendid address on Abraham Lincoln, famous Civil War president, whose life was cut short by an assassin's bullet just as his greatest aim in life, the abolishment of slavery was consummated, when Rev. L. D. Smith, Methodist pastor of Beaver Falls addressed them at their noon luncheon meeting, Wednesday.

Rev. Smith, a Kiwanian, delivered a most interesting talk using as his subject, "Counsel Assigned."

J. Roy Zoller, Red Cross Field Representative in first aid, also spoke on the accident prevention program of the American Red Cross, citing the high toll in human life

through accidents each year, and urging his hearers to be accident conscious to help reduce this accident rate. Mr. Zoller was accompanied by Chairman of First Aid Harry Cullford of the local chapter.

The club said farewell to Dr. A. G. Reynolds, local dentist, who leaves Sunday for the U. S. Naval Air Station at Alameda, Calif., where he will take up his duties as Lt. (sgt) in the U. S. N. R. Dental Corps. Lt. Reynolds was presented with a handsome toilet kit by his fellow Kiwanians.

Arrangements were completed for the visit of the club members to the Universal Sanitary and Manufacturing Co. plant at New Castle Junction next Tuesday, when they will accompany the Lions Club on an inspection tour of the plant, and will be served lunch by the company. Kiwanis members will meet at The Castleton at 11:30 a. m.

EDITOR OF SCRAWL AT WESTMINSTER

NEW WILMINGTON, Feb. 10.—Miss Meredith Laudenslager, sophomore English-journalism major from Westchester, Pa., has been chosen editor of Scrawl, campus literary magazine, at Westminster College.

Ms. Laudenslager's election to the editorship is the first time a sophomore has ever been editor of Scrawl. The first issue edited by the Weatherly sophomore will be printed in April.

The new editor is also a member of the staff of The Herald, campus newspaper, and conducts a weekly book review column.

PATROLMAN UNDER BOND

PITTSBURGH, Feb. 10.—(INS)—Thomas M. Dixon, McKeesport patrolman, today was under \$1,000 bond by order of the U. S. commissioner on charges of illegal possession and transfer of gasoline ration coupons.

OPA agents claimed Dixon solicited gas coupons from a McKeesport filling station and from truck drivers. He was said to have turned the coupons over to residents in McKeesport.

You Women Who Suffer From HOT FLASHES then CHILLY FEELINGS

If you—like so many women between the ages of 38 and 52—suffer from hot flashes, weak, nervous irritable feelings, are a bit blue at times—due to the functional middle age period peculiar to women—try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms.

Taken regularly—Pinkham's Compound helps build up resistance against such distress. It also has what Doctors call a stomachic tonic effect! Thousands upon thousands of women—rich and poor alike—have reported benefits. Here's a product that helps restore and that's the kind to buy. Follow label directions. Well worth trying!

LYDIA E. PINKHAM'S VEGETABLE COMPOUND
